**A VALUABLE NEW BOOK.**

READY AUGUST 1st.

**OUR CASHIER'S SCRAP-BOOK,** Being Bank Notes, New and Old, for General Circulation.

A Portfolio of Bank Anecdotes and Incidents, queer, curious, odd, ludicrous, touching. — Poetry by and about Bankers. — "Capital" Items. — Conversations with Customers, and Facts and Statistics of general interest about Banks, accumulated from all the world, during a personal experience of Ten Years behind a Bank Counter.

Compiled by **H. C. PERCY**, Cashier of the Home Savings Bank, Norfolk, Va.

**GEO. W. CARLETON & CO.**, Publishers, Madison Square, New York.

A handsome 12mo. vol., beautifully printed and bound in cloth (Green-back) cover, Gold Title, etc., with numerous cuts and engravings. Price, \$2.00.

This Book of original and selected matter, represents the "Savings" of a Bank Cashier, from the good things constantly coming under his notice during the past ten years. Valuable and entertaining matter has also been contributed to the "Scrap-Book," by Cashiers from every State in the Union, from Canada and from England. Thirty pages, or more, are devoted to poetical selections from the world's "Banker-Poets." A large portion of the matter has never before been in print.

To the Banking Fraternity it will prove a rare treat, while the general public, who have more or less occasion to deal with Banks, will be sure to find quite enough information and amusement in the work to pay for its purchase and perusal. It cultivates a rich field heretofore untouched, and will prove a satisfactory addition to every man's library. 500 Copies sent, post-paid, on receipt of price, by

## PREFACE.

Our Subscribers will notice in the present number that we have added a list of Foreign Banks and Bankers, which has been done by request of numerous patrons. We have also added the County names in our bank lists: these new features will make our book still more valuable as a correct book of reference to all. All the information contained herein is obtained either by direct correspondence or by personal solicitation, and may be relied upon as being as nearly correct as it can be made. We have thoroughly systematized our means of obtaining early information, and will continue to anticipate similar publications, self-styled *correct* and *scrupulous*. We wish to call attention to some matters which are of importance to all; and in order that this subject may be readily comprehended we ask a careful comparison of the facts we present. For some time past other publications, self-styled *correct* and *scrupulous*, have been using our work to correct their own errors, but for this they have never given us credit. So long, however, as they were content to give their subscribers changes from six months to a year old we said nothing, but when it was generally asserted that their information was used to correct other works, we deemed it but proper that those most interested should know who was really the "Busy Bee,"—and we therefore give some facts which will explain themselves. We print on another page—FIRST, a list of Banks and Bankers, which appeared in our issue of July, 1878, and which appeared in other self-styled *correct*, *scrupulous* publications in January, 1879—apparently their channels of information needed dredging. SECOND, a list of changes in Presidents and Cashiers in same issue (July, 1878) which also appeared in other self-styled *correct*, *scrupulous* publications, January, 1879—apparently it was decided that it would be easier and cheaper to copy our book than dredge out their "channels of information." THIRD, a list of names of Banks and Bankers that were *not in existence* previous to July, 1878, and dropped from our issue of that date, but still continued in other self-styled *correct*, *scrupulous* publications until their issue of January, 1879, at which time our work was probably consulted and mistakes corrected—possibly by this time it was also discovered that the "long established channels" were rather crooked, and that the demands of Banks and Bankers for fuller information led them to other peculiar ideas of what was "*scrupulous*," for we next find our lists of Bank Surplus bodily taken, and we are led to believe other features of our work will be copied: be this as it may, we ask our Subscribers in the past or of the future to make the comparisons which we have taken the pains to give, and if they are not satisfied with our statements of fact they must be hard to convince.

Our present number contains a large amount of information, changes, etc., which will be found valuable, and may be looked for six months hence in other valuable *correct*, *scrupulous* publications. We shall watch with interest the result.

In conclusion, it has ever been and will continue to be our aim to give just such matters and correct early information as may be required, and we will be pleased at any time to receive suggestions of ways of improving our Directory. Our continually increasing circulation encourages us in the belief that our efforts are appreciated, and we think our present work will be found the most complete and correct publication of the kind ever issued.

RAND, McNALLY & CO.

## ARIZONA.

The laws of Arizona in relation to arrest on civil process, attachment, executions, exemption of real and personal property, homesteads, garnishment, interest, judgments, and limitations of actions, are similar

to those of California, [which see.] There are no insolvent laws in Arizona. Mortgages on real estate must be recorded, and no other personal property except growing crops can be mortgaged.

## ARKANSAS.

**ACKNOWLEDGMENTS** of deeds within the State may be taken before a Judge or Clerk of the Supreme or Circuit Court, Judge of County Court, Justice of the Peace, or Notary Public. Anywhere else in the United States, before any Federal, State, or Territorial Court, Mayor or chief officer of any town or city, or any Notary Public. Out of the United States, before any authorized court or officer.

**ATTACHMENT.** Plaintiff in civil action may, at or before commencement thereof, have attachment against property of defendant where said defendant is non-resident or a foreign corporation, has been absent four months from the State, or has absconded, evaded service, or transferred, sold or conveyed his property with intent to defraud creditors. Under a writ of attachment debts due the defendant may be garnished. Plaintiff must give bond with sureties, conditioned to pay all damages defendant may sustain if the action is wrongfully maintained.

**ASSIGNMENTS AND INSOLVENCY.** The only insolvent laws are provided for cases of imprisonment on civil process, or for release of persons imprisoned in criminal proceedings for the payment of fine and costs.

**COURTS, Terms and Jurisdiction.** Circuit Courts with original jurisdiction over all civil cases not less than \$100 including interest, are held twice a year in each county. Justices have original jurisdiction up to \$100, and concurrent up to \$300.

**EXEMPTIONS.** Homestead in country not exceeding 160 acres, with improvements, not to exceed \$1,500, but in no case can the homestead be reduced below 80 acres, without regard to value. In any town, city, or village, homestead of one acre with improvements, of total value of \$2,500, not reducible below one-fourth of an acre. Personal property, \$500 besides wearing apparel.

**EXECUTIONS** are returnable sixty days from date from the Circuit Court, and thirty days from Justices'. Where execution has not been stayed, sales are made on a credit of three months on bond and security, said bond having the force of a judgment if forfeited. Execution may be stayed for three months by defendant giving bond with security for judgment, interest, and costs.

**INTEREST.** Legal rate is six per cent., but contracts may be made for any rate not exceeding ten per cent. Interest begins to run on an open account from the time payment is unreasonably withheld. Judgments bear same interest as contract and on, if in such instrument the words "until paid" are used concerning the payment of interest. But if the words *per annum* alone are used, then, regardless of the rate stipulated, the judgment would draw six per cent. Usury forfeits principal and interest.

**JUDGMENTS** and decrees of Circuit Courts are liens on real estate of defendant within the county in which the court is held. Judgments of a Justice of the Peace become a lien by filing a transcript with the clerk of the Circuit Court. Executions may be issued on judgment until it is barred by the statute of limitations. Judgments are rendered at first term of a court of record if no defense is made.

**LIMITATIONS.** Accounts, three years; notes, five years; sealed instruments and judgments, ten years.

A written acknowledgment of indebtedness and promise to pay, or a part payment, revives the debt. Limitations of actions for the recovery of real estate, seven years. Usual saving clause in favor of infants, married women, and insane persons, but not as to non-residents.

**MARRIED WOMEN.** Married women have the same absolute and unqualified right in property of every description, when acquired, as  *feme sole* , and the same is not liable for debts or contracts of the husband. To entitle a married woman to her right as to personal property, she must cause such separate property to be recorded in her name in the county of her residence. She may carry on business on her sole and separate account, and she may sue or be sued alone on account of her separate property, business, or service; and she may contract and bind herself in respect to such separate property or business, and no such contract shall be binding on her husband, or render him or his property in any way liable therefor. In all actions where a married woman is a party—except as to such separate property or business—her husband must be joined with her in the suit. Widow takes dower in one-third of all lands of which the husband was seized of an estate of inheritance during marriage, unless legally relinquished; also an absolute one-third of all personality. Where there are no children she takes one-half of realty for life, and absolute one-half of all personality.

**MORTGAGES** are acknowledged same as deeds, and are not liens until filed for record, though good between the parties. May be foreclosed by complaint in equity. Chattel mortgages must be proved as other mortgages. May be filed and not recorded at option of mortgagee, and are liens from time of filing. Trust deeds must be acknowledged and filed same as mortgages.

**NOTES AND BILLS OF EXCHANGE.** Foreign and inland bills of exchange are governed by mercantile law as to days of grace, protest and notice. All indorsers or assignors of any instrument in writing assignable by law, which by its terms is payable "without discount or defalcation," may be notified of non-payment or protest of such instrument, and are equally liable with the maker, obligee, or payee, and may be sued for the same at the same time with the maker, obligee, or payee thereof, or may be sued separately.

**SUIT** in the Circuit Court is commenced by filing written complaint signed by the party or his attorney, verified by affidavit of the party, but such verification is not required where the complaint is founded on a bill, note, or other written obligation. The first term is trial term where the summons has been served ten days before the beginning of term—twenty days elsewhere in the State, or sixty days outside the State.

**TAXES** must be paid between December 15 and April 20 of each year next succeeding that in which they are assessed. If not paid within the time required by law 25 per cent. penalty is added, and lands are advertised for two weeks and sold. ## CALIFORNIA.

**ACKNOWLEDGMENTS OF DEEDS.** Real estate is transferred by what is known as a "grant," which contains a description of the property. Deeds, though not recorded, are valid between the parties thereto and as to all other persons having actual notice, but absolutely void as to all persons without notice. Proof or acknowledgment of an instrument may be made within the State before any Judge or Clerk of a court of record, Recorder, Mayor, Court Commissioner, Justice of the Peace, or Notary Public. Without the State, but within

the United States, before any judicial officer, Commissioner, or Notary, and in foreign countries before any Diplomatic or Consular Agent or Judge of a Court of record. A conveyance by a married woman has no validity until acknowledged.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may, in good faith, execute an assignment to one or more assignees in trust for the satisfaction of creditors, subject to the law relative to trusts and fraudulent transfers, and said debtor, although insolvent, may

make a transfer to a particular creditor to pay or secure the debt owing to him. An assignment for the benefit of creditors may provide for any outstanding liability of the assignor, whether absolute or contingent, and any person may take an assignment for the benefit of his creditors, with or without their consent, and he thereby forever discharged from all his debts and liabilities. Attachments levied within two months of filing of petition, and not merged in judgment lien, are dissolved.

**ATTACHMENT** will issue in an action upon a contract express or implied, for the direct payment of money, where the contract is made or to be made in the State and is not secured by any mortgage or lien upon real or personal property, or any pledge of personal property, or if any bill or security, such as a promissory note, without any act of the plaintiff, or the person to whom the security was given, becomes insolvent, also in an action upon a contract, or a cause for tortious, against a defendant not residing in this State. Garnishment process can be had in all cases where property is liable to attachment. Defendant may be arrested in a civil action staying up a coat for which he is liable to remove from the State, or has recovered or disposed of his property with intent to defraud creditors, or was guilty of fraud in contracting the debt.

**APPEAL, Term and Jurisdiction.** District Courts hold terms three or four times yearly in each county, and have exclusive equity powers and jurisdiction in all cases involving the possession of real estate, and in all other cases in which the demand amounts to \$500, exclusive of full cost. County courts have a trial of issues only in cases where, and justices of the Peace have civil jurisdiction up to \$500.

**Execution.** If any debt is due immediately on condition of judgment, or at any time within five years, and an offer within that period as any part of the judgment remains to be satisfied. If not collected within five years, judgment must be received by writ. Writs are enforceable not less than ten nor more than thirty days after receipt by the sheriff. The court to which an appeal has been tried has discretionary power to grant a reasonable stay of execution. Lands sold under execution are subject to redemption by the judgment debtor or his successor in interest, or by any creditor having a lien on payment within six months of the purchase money, with interest at two per cent. per month.

**EXEMPTIONS.** The homestead, not exceeding \$5,000 in value, if the location of homestead is properly filed in the recorder's office of the county where situated, by a husband or wife, or either of a family, is exempt from execution except in the following cases: 1st, where the judgment was obtained before the declaration of homestead; 2d, on judgments for loss of merchandise, labor, or value of the land; 3d, on debts incurred by mortgage on the land, except by the husband and wife, or an unmarried claimant; 4th, on debts secured by mortgage on the land before the declaration of homestead. Homestead of a single person not exceeding \$1,000 in value, is exempt. Personal property exempt includes chairs, tables, stove, and lamps, \$500; necessary household and kitchen furniture, sewing machine, stove, beds, etc., provision for a family for three months; three cows, four hogs, two horses, geese, or turkeys, and seed grain reserved up to \$200; tools and implements of a mechanic or artisan, or a farmer of a physician and professional library of attorney, minister, editor or school teacher. A teacher's cabin, not exceeding \$500 in value, also chairs, pipes, tools, etc., necessary for his business, not exceeding \$500, two horses or mules with harness, and the driver's outfit worked by him and not exceeding \$100 in value, are also exempt. A drayman may retain two oxen, horses, or mules, with harness and wagon or dray. Judgment within thirty days of levy, if necessary for support of family; shares in homestead associations up to \$1,000; if debtor has no homestead selected; and life insurance policies and all bonds for securing them. Bonds in any company organized under the laws of this State, are all exempt. But all things above mentioned are liable for debts incurred for their purchase.

**INTEREST.** The legal rate is ten per cent., but parties may agree on any rate, and there is no penalty for usury. Judgments bear seven per cent. per annum from date of entry.

**JUDGMENTS** in courts of record where no defense is made are entered immediately after expiration of time designated in the summons for defendant's appearance. Are liens for two years on all real estate of the debtor within the county, which may be extended to other

persons by filing a certified copy of the docket in the office of the County Treasurer. Assignments in debt in a County have the same effect when transcribed in kind.

**LABORATIONS ON ESTATE.** Actions must be brought as follows: Within five years, upon a judgment or decree of any court and the unpaid balance, or of any debt within the United States law, an action for the recovery of real property, within four years, an action upon any contract, obligation, or liability, founded upon an instrument of or a thing executed by this State or foreign country within twelve years, within three years, an action upon a liability created by contract, other than a promissory or negotiable, for trespass upon real property, for taking, detaining, or injuring any goods or chattels, including actions for the specific recovery of personal property, for relief on the ground of fraud or mistake. Within five years, upon a contract, obligation, or liability, not founded upon an instrument in writing, and on promises or contracts not entered within any contract acknowledged out of the State.

**MARRIAGE VOWS.** All property acquired by any man or woman before marriage, or afterward, by gift, bequest, devise or descent, is, with a private power for sale, not included in the joint estate. All property acquired after marriage by husband or wife, except as above, shall for each and both parties. Earnings of wife are the liable for each of the husband, but he cannot take a community property. Dowry and dower are unknown, but the wife takes half the community property after payment of debts and expenses of administration. A married woman may acquire all her separate estate by will without consent of her husband.

**MARRIAGES** of civil nature are not required the wife's signature unless the property is the husband's or her own separate estate. They are solemnized and acknowledged in the presence of a justice of the peace, a justice of the peace to be valid against persons other than the parties thereto must show the substance and truth of the marriage at marriage, the rate of license of each, and when and where it is payable, and marriage and cohabitation must make such publicly that the marriage is bona fide and made without design to defraud or evade creditors. The same equity of redemption exists in lands sold to get mortgage as other estates.

**NOTES AND BILLS OF EXCHANGE** are governed by the bill code. Notice of dishonor may be given to the holder or any party to the instrument who may be called on to pay it, and must be in writing. Days of grace are not allowed. The 1st of January, 1st of February, 1st of July, 1st of December, day of state election, and Thanksgiving day, are legal holidays. Promises instead of interest in case of dishonor are allowed on dishonored bills drawn or negotiated in this State, as follows: Two per cent. of the amount if drawn on a person in this State; five per cent. on a person out of State west of the Rocky Mountains; two per cent. on a person out of the Rocky Mountains, and three per cent. if on a person in a foreign country. The applicant for a bill of exchange is liable to promissory note payable at sight or on demand, and bearing interest, in one year from the date; if it does not bear interest two days from date on bills and six months on promissory notes, and when the latter are payable at a certain time after sight or demand, said time is added.

**NOTES, WRITS, ETC.** There is but one form of action, commenced by filing a written complaint with the clerk of the court; as if it is a Justice's Court may be by filing a copy of the same with an affidavit, on which action is brought. Summons must be served within one year after complaint is filed, and if defendant cannot be served he may be notified by publication. In the District Courts the defendant is allowed ten days after the service of summons and complaint to appear and answer the complaint, where service is made within the county in which the action is brought, twenty days if served out of the county but in the district in which the action is brought, and forty days if served elsewhere. In Justice's Courts five days are allowed defendant to answer where summons is served in the township where action is brought; ten days if served out of the township but in the county in which action is brought, and twenty days if served elsewhere.

**TAXES.** Income tax is levied on the first Monday in January, after which, five per cent. income. ## COLORADO.

**ACKNOWLEDGMENTS OF deeds** within the State may be taken before any Justice, Clerk or Deputy Clerk, of the Supreme or District Courts, County Judges, County Clerk or Recorder, Justice of the Peace, or Notary Public. In either of the United States and Territories, before the Secretary of State, under the seal of the State, any authorized officer of said State or Territory, or any Commissioner of Deeds. In foreign countries, before any Judge of a court of record, Mayor or chief officer of any city or town having a seal, or any Consul of the United States.

**ASSIGNMENTS AND INSOLVENCY.** There are no statutory enactments whatever concerning insolvency or assignments.

**ATTACHMENT.** Where defendant is a non resident or a foreign corporation, or a corporation whose chief office or place of business is out of the State, or has been four months absent from the State, evades service, attempts to remove or fraudulently conveys, transfers, assigns or conceals his property, or where the debt was fraudulently contracted, plaintiff may obtain a writ of attachment by making affidavit to the facts and giving bond with security in double the amount claimed. Garnishee process will issue in aid of attachment or execution where sufficient property to satisfy the same is not found by the officer. Imprisonment for debt is abolished, and no civil action can be begun by arrest, but in actions founded upon a tort where the jury find that in committing the tort defendant was guilty of malice, fraud, or willful deceit, execution may issue against the defendant's body, and he may be imprisoned not exceeding one year, or until the judgment is satisfied.

**COURTS, Terms and Jurisdiction.** District Courts hold from one to two terms a year in each county, (three at Denver, Arapahoe Co.) They have original jurisdiction in all cases, both of law and equity. County Courts are held in the counties of Arapahoe, El Paso, Park, Sagauche, Summit, Rio Grande, and Weld, six times a year, and in the other counties four times. They have exclusive probate powers and concurrent jurisdiction with the District Courts where the debt, damages, or claim, does not exceed \$2,000. Justices of the Peace have civil jurisdiction up to \$300.

**EXECUTIONS** may be issued from all courts immediately on entering judgment and become a lien at once on all personal property of defendant within the county. When issued from a court of record, are returnable in ninety days; from a Justice's Court, thirty days. Execution must issue on a judgment within one year in order to keep the judgment in force, and land on which defendant resides must be taken last. Defendant or legal representative has six months in which to redeem lands sold under execution; judgment creditors may redeem after six and within nine months. Where execution is returned unsatisfied, judgment debtor may be required to answer under oath touching his property, and if it appears by affidavit that there is danger of his absconding, he may be arrested and held to bail. There is no stay of execution except by appeal.

**EXEMPTIONS.** Homestead consisting of house and lot or lots in any town or city, or of a farm of any number of acres, so that the value does not exceed \$2,000, when such homestead has been entered of record as such, and is occupied by a householder, the head of a family. Personal property exempt includes all wearing apparel of the debtor and his family, pictures, school books and library, beds and bedding, stoves, cooking utensils, and household furniture, not exceeding \$100; provisions for six months, tools, implements, or stock in trade, up to \$200; one cow and calf, ten sheep and necessary food for six months, working animals, up to \$300; the library and implements of a professional man up to \$500. Persons not the heads of families are entitled to tools, working animals, and stock in trade, not exceeding \$300 in value.

**INTEREST.** Legal rate where no agreement is made, 10 per cent.; same allowed on judgments, State warrants, and county orders. No usury laws.

**JUDGMENTS** are liens on real estate within the county, and may be extended to other counties by filing transcript. Lien continues six years from entry of judgment, provided execution be issued on the judgment within one year.

**LIMITATIONS TO SUITS.** On notes, accounts, bonds, etc., when cause of action accrued within the State, six years; when cause of action accrued without the State, upon a contract or agreement, two years; upon any sealed instrument in writing, or judgment of any court,

three years. Bills for relief on the ground of fraud must be filed within three years from discovering the fraud.

**MARRIED WOMEN** retain their separate property, real and personal, owned at marriage or acquired thereafter by gift, devise, descent, or bequest, including presents from the husband—for their own separate use, and not liable for their husbands' debts. They may carry on trade or business, sue and be sued, contract debts, and execute promissory notes, bonds, bills of exchange, and other instruments precisely as if sole, and may convey real estate without the husband joining in the deed. In all actions against a married woman, except as touching her separate property, the husband must be joined as a co-defendant. A married woman may make a will, but can not bequeath more than half her property away from her husband without his consent in writing. Dower is abolished, and the estate of an intestate descends to the surviving wife or husband where there are no children, or descendants of children; in other cases survivor takes one-half subject to payment of debts. The husband can not by will deprive his wife of over one-half of his property.

**MORTGAGES.** There are no statutory provisions except as to foreclosure and redemption from sale, the same time being allowed for redemption as in sales under execution. Trust deeds are common, and lands or real estate sold by a trustee under a deed of trust are not redeemable. Chattel mortgages, to be valid as to third parties, must be acknowledged before a Justice or Notary Public of the nearest precinct, and recorded in the Recorder's office, unless possession of the chattels actually passes. They may be given for a term of two years, and, after default, mortgagee must not delay in taking possession, or his lien will be invalidated as to third parties.

**NOTES AND BILLS OF EXCHANGE.** Promissory notes, due bills, bonds, and other instruments in writing, are negotiable by indorsement, and if made payable to a person or bearer, do not pass by delivery only but must be assigned by indorsement, so as absolutely to vest the property in each assignee successively. Assignee must use due diligence against the maker before he can hold the assignor liable. Three days of grace are allowed on notes and bills, except drafts payable at sight, and checks for funds deposited subject to draft at sight. Paper maturing on Sunday, Fourth of July, Christmas, or any day set apart by the President of the United States, or the Governor, as a day of fasting or thanksgiving, is deemed to fall due the previous day, and may be presented and protested accordingly. Protest is necessary on bills of exchange drawn by parties in this State on parties residing without the State, for non-acceptance or non-payment; and the drawer or indorser thereof, due notice being given of such non-acceptance or non-payment, must pay said bill, with legal interest thereon from the time such bill ought to have been paid, and ten per cent. damages in addition; together with the costs and charges of protest.

**SUITS.** There is but one form of civil action, commenced in courts of record by filing a written complaint with the Clerk, and in Justice's Courts by summons, stating amount of demand. Summons must be issued within one month from filing complaint, and defendant is required to answer or stand default within ten days, if served within the county; twenty days within the district but outside the county, and forty days elsewhere in the State. Service may be had by publication where defendant resides out of the State, or has departed from it, or conceals himself, or can not be found. In Justice's Court, service must be had three days before return day, which is fixed at five days from issuance of summons. Non-residents must give security for costs at the time of commencing action.

**TAXES** are a perpetual lien on real estate until paid. It is the duty of persons subject to taxation to attend at the Treasurer's office and pay their State and county taxes between November 1 and December 30 of each year, and after January 1 taxes draw interest at the rate of twenty-five per cent. per annum. Real estate delinquent is advertised in April by the County Treasurer and sold in June. May be redeemed in three years by payment of amount for which it was sold, with interest as above, and penalty of fifteen per cent. additional if redeemed within three months; twenty-five per cent. over three months and within a year; forty per cent. over one year and within two, and fifty per cent. if over two and within three years, with all subsequent taxes paid by purchaser, and twenty-five per cent. interest per annum thereon.

## CONNECTICUT.

**ACKNOWLEDGMENTS.** Deeds of land must be in writing, subscribed by the grantor, attested by two witnesses, and personally acknowledged. An acknowledgment, whether written or without the State, is only valid if made before a Judge of any court of record, Justice of the Peace, Mayor, or any officer authorized by law to receive acknowledgments. Within the State, deeds may also be acknowledged before a Judge of Probate, Commissioners of the Land Fund, and the Superior Court, and Town Clerks. In foreign countries, before a United States Consul, Notary Public, or Justice of the Peace.

**ASSIGNMENTS AND INSOLVENCY.** Voluntary assignments in insolvency can be made by any debtor to a trustee of his own selection, subject to the satisfaction of creditors by the Probate Court, if deemed proper. A creditor for over \$100, having brought suit, and filing on property to satisfy, may apply to the Probate Court for the appointment of a trustee in insolvency of the debtor's estate. A hearing is had, and, if the petition is granted, trustee takes all debts, real estate not exempt, and all incomplete leases or attachments on money process commenced within sixty days previous, are dissolved. Terms to six months are allowed to creditors, which are passed upon by commissioners appointed for that purpose. The debtor receives an allowance for his support and that of his family, and if the estate pays seventy per cent. of all claims proved, he obtains a full discharge. Debtors may be arrested in actions for bond or tort, and can give bail to the officer making the arrest, for their appearance before the court to which the writ for arrest is returnable. A debtor committed to jail on civil process can be released on giving an oath that he has not any real or personal estate in possession, reversion or remainder, of the value of \$175 in the whole, or sufficient to pay the demand for which he is imprisoned, except what is by law exempted from being taken on execution; and that he has not, directly or indirectly, sold, or otherwise disposed of, all or any part of his estate, thereby to defraud the name, or to receive or expect any profit or advantage therefrom, or to defraud or deceive his creditors. The debtor will not be released if his oath is overcome by rebutting evidence.

**ATTACHMENT** is served by attaching goods or lands of defendant, or, if none be found, by attaching the person when liable. Non-resident plaintiff must furnish bond for costs. Goods consigned in hands of agents, or debts due to the defendant, are reached by foreign attachment, which takes the place of garnishment. No assignment of future earnings will prevent their attachment when earned, unless recorded in the Town Clerk's office within forty-eight hours.

**COURTS, Terms and Jurisdiction.** Superior Court holds from two to four terms per year in each county for the trial of civil causes, and has exclusive jurisdiction in all law and equity cases exceeding \$50. Court of Common Pleas in Hartford, Fairfield, New London and New Haven counties, has exclusive law and equity jurisdiction above \$50 and below \$500, and in New Haven county only concurrent jurisdiction with the Superior Court up to \$1,000. Four terms each year are held in each of the counties named. District Court has jurisdiction in litchfield county up to \$1,000, and there are City Courts with limited civil jurisdiction in many of the cities. Probate Courts deal with the settlement of estates and insolvency proceedings, and Justices of the Peace have civil jurisdiction up to \$100.

**EXEMPTIONS** issue on the return of final judgment, and are returnable within sixty days. No execution issued in an action founded on contract merely can be levied on the body of the debtor except for breach of promise of marriage, misconduct or neglect in office or professional employment, or breach of trust. Real estate levied on must be appraised by three independent persons. Stay of execution only on appeal, or in special cases at discretion of court.

**EXEMPTIONS.** No homestead law. Personal property exempt includes necessary apparel and bedding, household furniture necessary for supporting life, arms, military equipments, implements of the debtor's trade, one cow, ten sheep, (not exceeding \$150), and certain specified amounts of family stores, one stove, the horse,

saddle and bridle, buggy and harness (not exceeding in value \$500) of any preceding purchase or exchange, one writing machine in use, one portable typewriter in use, and a library (not exceeding in value \$200), one boat used in sailing, not exceeding \$200 in value.

**INTEREST.** Legal rate, six per cent., as penalty for delay.

**INTERESTS.** Every six per cent. interest, but not more than six per cent., is payable at any time during the life of both parties. Judgment may be obtained within the first three days of term to which suit is brought, unless debtor makes reasonable defense.

**LIEN AND PRIORITY.** Open accounts and contracts not under seal, six years; instruments in writing and promissory notes and negotiable securities, twenty years; contracts not specified, and of which there is no written memorandum, three years. Usual exceptions in favor of married women, infants, lunatics, and those imprisoned.

**MARRIED WOMEN.** Under a law recently passed, neither the husband nor wife acquires any interest in the estate of the other by a marriage contracted subsequent to the 25th day of April, 1877; and in such a marriage the wife can make contracts with third persons, and coming to them her real and personal estate, and all her property will be liable to be taken for her debts in the same manner and to the same extent as if she was unmarried; but if the marriage was contracted prior to April 25, 1877, the wife remains under the same disability as before the law of 1877 was passed, and is, her husband's next of kin in all contingencies of her estate, and an action can be sustained against her only for torts committed by her, and upon contracts made by her upon her personal credit, and for the benefit of herself, her family, or her joint or separate estate. Contracts which by express agreement charge estate held to her sole and separate use may be enforced against such estate. Her property is not liable for her husband's debts, nor can his interest in her estate be taken for his debts. Any married woman may make a will, subject to the marital rights of her husband. Dower is his only in real estate of which the husband was seized at his death. The husband retains a right to the use of all the land of his wife during her life, and if he has a child by her and survives her, then during his own life as tenant by the curtesy.

**MORTGAGES** of real estate are recorded, acknowledged and recorded to the same manner as deeds, and are foreclosed by bill in equity. The equity of redemption exists for a limited time fixed by the court—usually from two to six months. Charged mortgages, as in good against third parties, must be recorded in the Town Clerk's office, and are foreclosed by sale under order of court.

**NOTES AND BILLS OF EXCHANGE.** No days of grace, unless specified, are allowed on negotiable notes, or on paper payable at sight or on demand. Promissory notes, made payable to order or bearer, for the payment of money, alone are negotiable. A negotiable promissory note payable in demand is regarded as dishonored if unpaid four months after date. Discount and reasonable notice are necessary to bind indorsers. Notes or bills falling due upon any holiday, to wit, 1st of January, 2nd of February, 30th of May, 4th of July, Dec. 25th, Thanksgiving, or Fast Day, are considered for payment or acceptance on the preceding day next preceding such holiday. Payments for protested bills, domestic, are from two to eight per cent., no statute is force governing foreign paper protested.

**SUITS.** Process in civil actions is by summons or attachment. All process before the Superior Court, District Court, or Court of Common Pleas, must be served at least twelve days before the making of the writ; before a Justice, six days.

**TAXES.** Land may be sold for delinquent taxes after due advertising, or it may be sold as is necessary to pay taxes and costs. Owner has one year in which to redeem, by paying the purchase money, with twelve per cent. interest. Any mortgage or credit of the owner may obtain an equity of redemption within the year, and may hold the estate as security for the purchase money and interest as aforesaid.

**ASSIGNMENTS AND INSOLVENCY.** There is a domestic insolvent law, providing for a full surrender and equal distribution of all property, but it is very seldom used, and there is no provision in the Act for the discharge of the debtor upon his making an assignment. The assignee must file a schedule of property assigned within thirty days, and two appraisers are then appointed by the Chancellor. Assignments must be for benefit of all creditors alike.

**ATTACHMENT.** Domestic attachments for debt may issue when the debtor can not be found, and foreign attachments may be issued against a person not an

From three to five terms are held annually in each county. Superior Courts, with concurrent jurisdiction with the Circuit Courts in all civil cases except probate matters, have been established in Marion, Tippecanoe, Allen, Cass, Vanderburgh and Wayne counties, and hold from four to ten terms each year. City Courts (which may be established in all cities having over 600 population) have concurrent jurisdiction with Circuit Courts up to \$1,000, except in probate matters, suits for libel, slander, or divorce, or where title to real estate is at issue. Justice's jurisdiction, §201.

**EXECUTIONS** may issue at any time within ten years after judgment rendered, and are returnable in 100 days. From a court of record may issue to any county in the State. Are a lien on personal property within the county from the time they are placed in hands of officer. After judgment is rendered, the debtor may, by giving sufficient freehold sureties, have a stay of execution on any sum exceeding \$75, for six months. Where the sum is less than \$75, the stay is not so long. Lands sold under execution may be redeemed within one year by the owner, mortgaged or person having a lien thereon.

**EXEMPTION.** No homestead law; real or personal property up to \$300 is exempt, where debtor is a resident householder.

**INTEREST.** The recent "Act concerning Interest and usury," approved March 12, 1879, made considerable changes in the law, which are herein embodied. The legal rate of interest on loans or forbearance of money, 6 per cent. or thereon, in action, is 12 per cent. As heretofore, but interest may be taken yearly or for a shorter period in advance. No agreement to pay a higher rate is valid unless the same be in writing, and in such case it is not lawful to contract for more than eight per cent. per annum. When a greater rate is contracted for, the contract is void as to the excessive interest, and in an action on a contract affected by such usury, whether it be directly or indirectly charged, all excess over six per cent. is

forfeited and illegal, and the principal over the legal limit may be recovered by the lender whenever it has been recovered or paid before the bringing of the suit. Interest on judgments rendered after March 12, 1879, runs from the date of the verdict or finding, at the rate specified in the original contract, not exceeding six per cent., and if no contract, then legal rate, six per cent. is allowed. The Act applies to all contracts made within the State, whether they are to be performed without it.

**JUDGMENTS** of courts of record are a lien against all real estate of defendant within the county for ten years. Judgment may be enforced at the first term of the court, after process has been served, on default ten days prior to the first day thereof. By law of 1877, judgment, for enforcement or compliance, can be obtained the defendant to appear and answer after service has been made, and in default can have judgment, where no good cause of defense is shown, and is equivalent to a lien upon the real estate of the judgment debtor situated in the county.

**LIMITATIONS** to suits. Open accounts and contracts not in writing, six years; actions not limited by statute. Other years; written contracts, judgments at courts of record and real estate, no statute years. Recovery: Part payment or new promise in writing.

**MARRIED WOMEN** relate their real or personal property owned by them at time of marriage or acquired during coverture. A married woman can not make a valid conveyance contract, and is not personally liable for any debt she may contract during coverture. Her real estate is not liable for the debts of her husband. She may devise by will her real and personal property, but can not bind her separate estate by giving a promissory note as surety for her husband. The way any she or her property ordinarily can be made liable to be mortgaged. No money by the contract or action. A widow takes one-third of her deceased husband's real estate in fee, free from all demands of creditors, where the estate does not exceed \$10,000; one-fourth, if under \$20,000, and one-fifth, if above that amount. She can take one-third of personally after payment of debts, and in all cases takes a third without accounting, and may occupy the dwelling and forty acres of land for a year, rent free.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace are allowed on all bills of exchange payable within the State, whether sight or time bills. Discounts for present on domestic bills, five per cent.; foreign bills, ten per cent. Promissory notes payable in cash or money at a bank in this State, and bills of exchange, are governed by the law merchant. Promissory notes not payable at a bank are subject to any set-off maker may have against payee, or any subsequent holder, receiving before notice of assignment. On these, maker must be exhausted before holder can be sued. Protest is not necessary to hold drawers of such notes, but to hold them maker must be sued at first term of court after maturity, unless it can be shown that he was insolvent at the time of such maturity.

**STAYS.** Satisfaction between law and equity. Civil actions are commenced by filing complaint with Clerk of court, and every action must be prosecuted in the name of the real party in interest, except suits by executors, administrators, guardians of infants or trustees, trustees of express trusts, or persons expressly authorized by statute.

**TAXES.** State, county, township, municipal, school and road taxes which are a lien on real estate, on April 1st of each year, and penalties attach on third Monday of same month. Sales of real estate for taxes are held on the second Monday of February, and all lands on which taxes are delinquent for two years are offered. Owner has two years in which to redeem, by paying the amount set forth in the certificate of purchase, with all subsequent taxes paid, and fifteen to forty per cent. upon the whole sum, with legal interest from the date of purchase or payment.

## IOWA.

**ACKNOWLEDGMENTS** of deeds to land made within the State, or the United States or Territories, must be made before a Judge of a court of record, or Clerk thereof, authenticated by the court seal, or by a Commissioner of Deeds, appointed by the Governor of the State, Notary Public, or Justice of the Peace; in the case of the latter official, his authority to take the acknowledgment should be certified to by a Clerk of a court of record, under seal of the court, as also his official character, and the genuineness of his signature. In foreign countries deeds may be acknowledged before any officer authorized by the laws of such country to certify to acknowledgments, or any Ambassador, Minister, Consular Agent, or other officer of the United States properly authorized to receive acknowledgments of deeds. Witnesses are not required.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law. Assignments not valid unless for benefit of all creditors, when assent of creditors is presumed. Debtor must furnish sworn inventory and list of creditors; and the assignment, which vests in the assignee title to all property of the debtor, must be recorded. Assignee must give bonds, prepare an inventory and valuation, and notify creditors by mail to file claims within three months. Claims objected to may be passed upon by a jury, and the assignee is in all respects subject to order of court, and renders a final account thereto. An assignment does not discharge the debtor from his debts and liabilities, but only entitles creditors to share equally in his estate.

**ATTACHMENT.** Process will issue against all property not exempt from execution on filing of a sworn petition, alleging, 1st, that the defendant is a foreign corporation, or acting as such; or 2d, that he is a non-resident of the State; or 3d, that he is in some manner about to dispose of or remove his property out of the State, without leaving sufficient remaining for the payment of his debts; or 4th, that he has disposed of, or is about to dispose of, his property (in whole or in part) with intent to defraud his creditors; or 5th, that he has absconded, so that the ordinary process can not be served on him; or 6th, that he is about to remove permanently out of the county, and has property therein, not exempt from execution, with which he refuses to pay or secure the debt to the creditor; or 7th, that he is about to remove permanently out of the State, and refuses to pay or secure the debt of the creditor. The Sheriff must levy upon property fifty per cent. greater in value than the amount of indebtedness claimed. Before the writ of attachment can issue, the creditor must give bonds, with sureties, in penalty double the amount of the property to be attached. No person may be imprisoned for debt in any civil action on mesne or final process, except in case of fraud.

**COURTS, Terms and Jurisdiction.** The District Courts have general original jurisdiction, both in chancery and at common law, and the Circuit Courts deal with probate and guardianship matters. Two terms of each court are held annually in each county (three in some of the more populous counties). Justice's jurisdiction, \$100, or, by consent of parties, \$300.

Stay must be taken within ten days from the date of entry of judgment, and the party taking such stay, if he has been personally served with process, shall not afterward be allowed to appeal. If the judgment is not fully paid at the expiration of the stay, judgment is entered against the surety, and execution may be issued forthwith. After stay, judgment draws ten per cent. interest by operation of law. There can be no stay for wages due mechanic or laboring man, nor by a surety on stay bond. Defendant may redeem real property sold under execution at any time within twelve months, meantime remaining in possession of the property, but where he has taken an appeal or stay of execution he can not redeem. During the first six months he has exclusive right of redemption, but after that time, and before the expiration of nine months, any creditor having a lien can redeem.

**EXEMPTIONS.** Homestead of 40 acres in country and half an acre in city or town, with buildings without re-

gard to value. Personal property exempt includes tools, instruments, library, necessary team, etc., of mechanic, farmer, teacher, or professional man; wearing apparel, household and kitchen furniture, \$200; certain farm animals and necessary food for six months. Foregoing relates only to residents, being the head of a family; unmarried persons and non-residents being only entitled to retain their own clothing and trunks. Where debtor is a printer, the printing press and types, furniture and material up to \$1,200 are exempt. Earnings of debtor within 90 days of levy are exempt.

**INTEREST.** Legal rate, six per cent.; parties may contract for ten per cent. Judgments draw six per cent., or if a higher rate not exceeding ten per cent. is expressed in the original contract, then such higher rate. Open accounts draw six per cent. after six months from date of last item. Contract for above ten per cent. forfeits ten per cent. on amount of contract, and all interest and costs.

**JUDGMENTS** in the District and Circuit Courts may be obtained at first term after suit commenced, if undefended, and are liens on real estate owned by the debtor at the time of such rendition. If the lands lie in the county where judgment was rendered, the lien attaches from its date; if in any other county, from the time of filing therein an attested copy of the judgment. Lien also covers all lands which defendant may acquire within ten years from date of judgment.

**LIMITATIONS TO SUITS.** Actions for injuries to person or reputation, or to recover a statutory penalty, must be brought within two years; to enforce a mechanic's lien, two years; on unwritten contracts, five years; on written contracts, ten years; on judgments of courts of record, twenty years; to recover real estate, ten years. **MARRIED WOMEN** may own in their own right real and personal property acquired by descent, gift or purchase, and may manage, sell, convey and devise the same by will in the same manner as the husband can property belonging to him. Neither husband nor wife is liable for the debts or liabilities of the other incurred before marriage, and, except as herein otherwise declared, they are not liable for the separate debts of the other, nor are the wages, earnings or property of either, nor the rent or income of such property, liable for the separate debts of the other. Contracts may be made by a wife and liabilities incurred, and the same enforced by or against her, to the same extent and in the same manner as if she were unmarried. But both are liable for the expenses of the family, and the education of the children, whether contracted for by one or the other. They may be sued jointly or separately therefor. Dower and the estate of curtesy are abolished, but the surviving wife or husband takes one-third in value of all the legal and equitable estate possessed by the other during marriage.

**MORTGAGES** must be subscribed by the parties and acknowledged and recorded same as deeds. Are foreclosed by civil action. Mortgagor has one year in which to redeem. Chattel mortgages to be valid against existing creditors or subsequent purchasers without notice must be recorded immediately in the county where the holder of the property resides.

Actions are commenced by serving defendant with notice, stating generally the nature of the claim, and filing a petition in court, ten days before the term. Actions generally are prosecuted in the name of the real party in interest, and in the county where defendant resides, or property in question is situated, or cause of action arose. Process must be served in Justice's Courts on debtor at least five and not more than fifteen days, and in the District and Circuit Courts at least ten days,

before the first day of term. If defendant is served outside of his county, but inside of judicial district, process must be served fifteen days—elsewhere there must be twenty days' service for every 1,000 miles or fraction. Service short for first term is good for next term.

Taxes become due and payable on second Monday in November, and delinquent on February 1st following. If not paid before March 1, penalty of one per cent. per

Taxes are allowed in which to rescind by payment of interest for which lands were sold, twenty per cent. penalty, and ten per cent. per annum upon the whole amount.

Six per cent. is allowed upon judgments rendered, and judgments upon written contracts bear the same rate of interest provided for in the contract, not exceeding the legal rate as fixed by the above law. Interest at the legal rate may be recovered upon open accounts by proper pleading of the maturity of debt and the default of the defendant. Prior to the adoption of the law quoted above it was allowable to contract for a rate not exceeding eight per cent. per annum.

Where a fraudulent debtor guilty of fraud, he is deprived of the benefit of the insolvent laws, and is held to imprisonment.

ATTACHMENT. Writs of attachment issue on application of creditor, under oath, when the debtor is about leaving the State permanently, without there being a possibility, in the ordinary course of judicial proceedings, of obtaining an executing judgment against him previous to his departure; when the debtor resides out of the State; when he manifests himself to avoid being cited and forced to answer to the suit intended to be brought against him, when he has mortgaged, sold, or disposed of, or is about to mortgage, assign, or dispose of his property, rights, or credits, or some part thereof, with intent to defraud his creditors or give an unfair preference to some of them; and when he has converted, or is about to convert, his property into money or evidence of debt with intent to place it beyond the reach of his creditors. A creditor must first have expended by one-half the amount claimed to be due, with at least one solvent surety residing within the jurisdiction of the court, conditioned for payment to debtor of all damages sustained by him (if any) it is decided that the attachment was wrongfully obtained. Arrest of the debtor is allowed, but is of little practical value, as it only secures the person on the debtor to answer the suit, and he can not be held for the payment of the debt. Garnishment may be had on a subpoena either to a writ of attachment or *Receivers*.

**Courts, Terms and Jurisdiction.** District Courts have original jurisdiction where over \$200 are involved, and hold two terms a year in each parish (three in East Baton Rouge, and four in Calcasieu and Iberville). Orleans Parish has six District Courts, and civil business is divided amongst them. Parish Courts have complete jurisdiction with Justice of the Peace from \$25 to \$1,000.

original jurisdiction from §109 to §209, and full probate powers. Justice's jurisdiction, §101. In Orleans Parish the Second District Court has exclusive probate jurisdiction.

**EXEUTION.** Property taken under a writ of fieri facias must be advertised and appraised, and can only be sold for less than two-thirds of the appraised value, until it has been re-advertised. There is no redemption of property sold under execution or mortgage. No stay of execution is given except on appeal, and execution may issue at any time after the delay for appealing unconditionally has expired.

**EXEMPTIONS.** To land of family, 100 acres of land and improvements, if owned and occupied as a residence, together with certain furniture, stock, implements, provisions, etc.; the property not to exceed \$2,000, and no exemption if wife has separate property worth over \$1,000.

**INTEREST.** Local rate is five per cent., but eight per cent. may be agreed upon. If higher than eight per cent. is charged, such charge forfeits entire interest. If paid, it may be used for and recovered within twelve months. But a higher rate may be recovered if included in the statement of the note.

JUDGMENTS returned to the office of the Probate Registrar become enforceable from date of record upon all real estate of the debtor, and may be then recorded in any parish where delinquent taxes may exist.

**LIABILITIES TO SETTL.** Prescription—Of three years: Capital for arrangement of trust charges, or the loss of movable or immovable, for the payment of amount lent, on accounts of merchants, whether wholesale or retail, and on all open accounts. Of five years: Action on bills of exchange and promissory notes, including from the date of maturity, for nullity or simulation of contracts. Of ten years: All judgments for money, whether rendered within or without the State, owing to owner of judgment the right to have the same revived at any time before prescription has run. Of thirty years: All actions for immovable property, or for an entire lease, or a succession. Prescriptions may be waived by the debtor after the point is acquired. Reviver: Express acknowledgment and promise to pay.

**MARRIED WOMEN.** Separate property of wife controlled by her; revenues of all separate property and all property acquired by either husband or wife after marriage held in community. A married woman cannot sue without the concurrence of her husband, and who can not bind herself or property for his debts. Wife has no claim in her husband's real estate.

Mortgages can be foreclosed at any time after maturity of the debt, by instituting a regular suit and obtaining judgment thereon, or, if the suit imports a confession of judgment in favor of the holder, he can apply to the court for an order directing the sheriff to seize and sell the property. All mortgages must be recorded before they can have any effect as against third parties. Trust deeds are not in use, and chattel mortgages are unknown to the laws of Louisiana. There is no redemption of property sold under mortgage.

Notes and bills of exchange. Three days grace are allowed upon bills of exchange and notes, or other obligations made negotiable by law, but no grace is

allowed on sight bills or orders for money on demand. All negotiable instruments are due and payable on the day following the third day of grace, when the third is a Sunday or legal holiday, and if this day be a Sunday or legal holiday, then such instruments are due and payable on the following day not a Sunday or legal holiday. Whenever a promissory note is indorsed for the benefit of the drawer thereof—of which mention is made in the note—if caused by the drawer to be discounted in any bank in operation within the State, or if the drawer obtain any money in consideration of said note from any person, the indorser shall be bound to the holders of the note as if it had been discounted or negotiated for his own use or benefit. Bills and notes, or other obligations for the payment of money, to be evidence of a debt, must express the whole sum in writing. The cents may be in figures. Days of public rest are January 1, January 8, February 12, Feb-

ruary 22, March 4, July 4, December 25, Sundays, Good Friday and Shrove Tuesday.

**SUITS.** Actions are commenced by petition setting forth cause of action, etc., and signed by plaintiff or his attorney. Plaintiff must give resident security, and also make a deposit to cover costs. Full names and residences of parties should be supplied, especially where the claim belongs to a partnership.

**TAXES.** The Collector is required to give ten days public notice of his readiness to receive taxes, and after ten days from the expiration of such notice, must give written notice to each delinquent. If taxes are not paid within ten days more, Collector may seize and sell property, after twenty days advertisement. Lands sold for taxes are redeemable within two years, by the owner, his agent or heirs, or any creditor, on payment of the purchase money, with interest at one per cent. a month, and all subsequent taxes paid.

## MAINE.

**ACKNOWLEDGMENTS.** All deeds of real estate in this State must be under actual seal, and it is usual, although not compulsory, to have them witnessed. Deeds, in order to be recorded, if executed within the State, must be acknowledged before a Justice of the Peace. In other States and Territories acknowledgment can be made before any Magistrate, Notary Public, Justice of the Peace, or Commissioner of Deeds for the State of Maine. While a certificate of a Clerk of record to the acknowledgment taken by a Justice of the Peace, or other official, is not required, it is in all cases recommended. In foreign countries acknowledgments may be taken by a Notary Public, or by any United States Minister or Consul.

**ASSIGNMENTS AND INSOLVENCY.** Insolvent debtors may make assignments for the benefit of creditors, and such will be held to pass all the property of the debtor, whether specified or not, except such as is exempt by law. Property so assigned is not attachable for six months after first publication of notice by assignee, and creditors have three months after execution of assignment in which to become parties thereto. Debts of creditors who become parties are alone discharged by assignment.

**ATTACHMENT.** All real and personal property not exempt by law may be attached for debt, no affidavits being required, and no security for costs unless the creditor is a non-resident of the State; and liens thus created hold in the order in which the attachments are made until thirty days after rendition of judgment, within which time they may be perfected by levy of execution. Perishable goods or property liable to great depreciation by keeping, being attached, may be sold immediately by consent of parties, or by appraisal caused to be made under the statute by the officer upon request of attaching creditors, and the proceeds held by the officer in lieu of the property. Debtors about to leave the State may be arrested by special writ upon affidavit of the creditor, of his belief that the debtor is about to depart and reside beyond the limits of the State, and to carry with him means of his own more than necessary for his immediate support; and that at least \$10 is due on the claim. Debtors under arrest or imprisoned on execution or mesne process may disclose all their property not exempt from attachment for the creditor's benefit, and be discharged from arrest by Justices' Courts constituted for that purpose. A party indebted to another may be held as trustee of the latter, but claims for wages of personal labor not exceeding \$20 can not be garnished, except where the debt is for necessities.

**COURTS, Terms and Jurisdiction.** Supreme Judicial Court, which holds from two to three terms a year in each county, has unlimited jurisdiction in all actions except as specified below. In the county of Cumberland (Portland), the Superior Court has exclusive jurisdiction up to \$500, and concurrent above that sum, and holds term on first Tuesday of every month, except June, July and August. Courts of Probate have the usual jurisdiction; Municipal Courts and Trial Justices up to \$20 only.

**EXECUTIONS** may be issued any time after twenty-four hours from rendition of judgment, and are returnable in three months. Will run against the body where judgment is for more than \$10, unless debtor is a married woman. May be renewed at any time within three years, or judgment may be sued within twenty years. No stay is allowed except by the court for special

cause. Real estate sold under execution or levy may be redeemed within one year by any person having an interest in it.

**EXEMPTION.** Homestead, \$50, where duly registered. Usual wearing apparel, furniture \$50, bedding, pictures, etc., library \$150, stoves, fuel and lumber, provisions and seed grain, sewing machine, certain working animals, a team not exceeding \$300 in value, and a boat of two tons burden. Personal property exempt may be valued at about \$500.

**INTEREST.** The legal rate of interest is six per cent., but the parties may agree in writing for any rate of interest. Judgments bear interest at the rate of six per cent. On open accounts current, interest would commence when the party to whom the balance is due makes demand of payment. No usury laws.

**JUDGMENTS** do not create a lien on debtor's property, but such lien may be created by attachment on the writ. [See ATTACHMENT, *passim*.]

**LIMITATIONS ON SUITS.** Debt contracts and liabilities, expressed or implied, not under seal, six years; arrears of rent, waste, trespass on land, actions on the case, and all actions for taking, detaining or injuring goods or chattels, same time. On real actions and judgments of courts of record, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** may own, manage and convey real and personal estate acquired from any source except from husband, as if single. Married women may own, buy and sell property of all kinds in their own right and name, may transact business, and sue and be sued. A married woman's property is not liable for the debts of her husband, nor is he liable for her debts contracted before marriage, nor for those contracted after in her own name and upon her credit. No action will lie between man and wife except for divorce. All contracts of married women for any purpose are valid. Widow takes dower in a life estate in one-third of all realty owned by husband during coverture.

**MORTGAGES** of real estate must be acknowledged and recorded same as deeds. May be foreclosed by advertisement, by taking peaceable possession, or by suit. Mortgagee has three years from the time either of these proceedings are commenced in which to redeem, but the time of redemption may be reduced to not less than one year by agreement inserted in the mortgage. There is no redemption from a sale made by virtue of a power of sale contained in a mortgage. Chattel mortgages (above \$30) must be recorded, or possession of the property taken and retained by the mortgagee; otherwise they are void as against third parties.

**NOTES AND BILLS OF EXCHANGE.** Three days grace are allowed on all bills of exchange and promissory notes not on demand, which are payable within this State. Promissory notes for the payment of money, to order or bearer, are negotiable. Demand and notice are necessary to bind indorsers. The maker and indorser can not be sued in one action. Damages on domestic bills, three to nine per cent.; no statute in relation to damages on foreign bills protested. Legal holidays are Sundays, day of public fast or Thanksgiving fixed by Governor and Council, Jan. 1st, Feb. 22d, July 4th, Dec. 25th, and Memorial Day.

**SUITS.** Actions are commenced, where both parties are resident in the State, in the county where either resides, and if plaintiff is non-resident, then in county where defendant lives. All actions concerning real estate must be brought in the county where the land is

situated; and actions of replevin, where the property was taken. Services individuals must be had fourteen days, and on corporations thirty days, before the return day.

Taxes constitute a lien on real estate. If taxes are not paid within nine months after assessment, land is

adversely sold. Owners of non-qualified land may redeem within eighteen months, and of qualified land within two years after sale, by paying taxes, costs and twenty-five per cent. interest on the 1900 assessment, and twenty per cent. in the interim.

## MARYLAND.

**ACKNOWLEDGMENTS** of deeds to real estate may be made within the State before a Judge of any court of record or Justice of the Peace. If without the State it may be made before a Notary Public, Judge of any court of the United States, or of any court of any State having jurisdiction, or any Commissioner of this State, to take the acknowledgments of deeds the seal of the officer or court to be affixed to the certificate of acknowledgment in all cases. No separate examination of a married woman is required. Every deed conveying real estate must be signed and sealed by the grantor, and attested by at least one witness.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may make an assignment for the benefit of creditors, and may prefer one or more creditors. Assignment does not operate as a discharge from liabilities, except by consent of creditors. The insolvent law is in many respects similar to the United States bankrupt law recently repealed, and was in abeyance (except where debtor owed less than \$500), during the existence of that law. No discharge under the insolvent law will hold good as against a non-resident creditor.

**ATTACHMENTS** for debt can be obtained in all cases where the creditor, or some person in his behalf, will give bond to double the amount of the debt, and make affidavit before the Clerk of the court where suit is brought, that the debt is *bona fide* due, and plaintiff has good reason to believe that debtor is about to abscond from this State; or has assigned, disposed of, or concealed property with intent to defraud creditors, or is about to do so; or that debt sued on was fraudulently contracted; or debtor has removed property out of this State with intent to defraud creditors, or is about to do so. Garnishment process is governed by similar laws, and wages, hire, or salary not due can not be attached. No person can be arrested on civil process.

**COURTS, TERMS AND JURISDICTION.** Circuit Courts have unlimited common law and equity jurisdiction, and hold from two to four terms a year in each county. The Superior Court of Baltimore City, the Court of Common Pleas, and the Baltimore City Court, have concurrent civil common law jurisdiction, except that the Common Pleas has exclusive powers in insolvency. Orphans' Courts in each county deal with probate matters. Justice's jurisdiction, §100.

**EXECUTIONS** may issue at any time within twelve years from date of judgment, and may be levied on any property of the defendant. In Circuit Courts for the counties stay is granted for one term, but on judgments rendered by the law courts of Baltimore City, and defaults entered therein, execution may issue forthwith. In Justice' Courts execution may issue immediately, but debtor may stay execution (on sums under \$25.00 for six months; above that, twelve months), at any time

within sixty days, by furnishing judgment and giving security for payment of debt and costs. A stay of six months can also be obtained in the higher courts by "superceding" to the same amount.

**EXECUTIONS.** No homestead law. Wearing apparel, books, tools, and other property to the value of \$500, are exempt. Claims in action and equitable interests in personal property can not be levied upon.

**INTEREST.** The legal rate is six per cent. per annum. Judgments bear six per cent. interest from the date they were rendered. A person proved guilty of larceny forfeits all the estate above the real value, or value of the goods and chattels actually lost, and legal interest on such sums or value.

**JUDGMENTS** are a lien from date of rendition, on real estate of defendant within the county where rendered, and can be transferred from one county to another. Cover also real property acquired after date of judgment and equitable interests of defendant in lands. Lien continues for twelve years.

**LIMITATIONS OF SUITS.** Accounts and notes are barred after three years; sealed instruments and judgments after twelve years. A verbal promise will revive a debt barred by the statute of limitations.

**MARRIED WOMEN.** The property of a married woman, real or personal, acquired by her at any time, whether her separate estate, and is not subject to the husband's liability for the debts of the husband. With such conveyance or personally by joint deed with the husband, but may devolve the same by will as if she were single. A woman has common law right if dower in realty, and takes one-third of the personalty if there are children; one-half if none.

**MORTGAGES** are executed, acknowledged, and recorded same as deeds. To make them valid as against third parties without notice, mortgagee or his agent must make affidavit that the consideration is bona fide. A third affidavit of consideration is required on certain mortgages, which must be recorded within twenty days. Mortgages are liens for twenty years, and can be foreclosed at any time within that period.

**NOTES AND BILLS OF EXCHANGE.** All promissory notes, checks and bills of exchange are negotiable, as if passed from innocent third party holder in good faith, and in good faith, the holder or acceptor, at the case may be, will be held liable, even though he made the note or accepted the bill without consideration. Three days grace are allowed on all negotiable paper except sight or demand drafts.

**SALES.** Actions are at common law, but forms of writs have been simplified. Service of writs must be made by the return day, which, in the counties, is the first day of each term, and in Baltimore City, of each rule day.

## MASSACHUSETTS.

**ACKNOWLEDGMENTS** may be made before any Justice of the Peace, Magistrate or Notary Public, or Commissioner appointed for that purpose by the government of this Commonwealth within the United States. Acknowledgments of deeds may be made before any Civilian officer under the laws of the United States, in any foreign country to which he is accredited. Within Massachusetts acknowledgments may be taken by any Justice of the Peace or Notary Public. Where the acknowledgment is taken by any official other than a Commissioner for Massachusetts, a certificate of the official's appointment and authority under which he acts, made by the Secretary of State, or a Clerk of a court of record, should be attached.

**ASSIGNMENTS AND INSOLVENCY.** The insolvent law is substantially the same as the United States bankrupt

law, recently repealed, and has no jurisdiction over debts contracted outside the State. There are no statutes governing assignments.

**ATTACHMENT.** All real estate, goods and chattels not exempt, may be taken in attachment on the original writ and held as security for judgment, except that lands and tenements can not be attached in suits involving less than \$25. Debtor may dissolve attachment by furnishing secured bond. Upon affidavit by the creditor or some person in his behalf, that the debtor intends to leave the State, the latter may be arrested and held to bail. Debtor against whom judgment is rendered for over \$25 may be subjected to a sworn examination touching his property, and if he refuses to deliver up such property (not being exempt from attachment) he will be imprisoned.

**COURTS, Terms and Jurisdiction.** Justices of the Peace, Municipal and Police Courts have original and exclusive jurisdiction when the debt does not exceed \$25. The Supreme Judicial Court has original and concurrent jurisdiction with the Superior Court, in actions for recovery of debt to the amount of \$4,000 or over in Suffolk county (Boston) and \$1,000 or over in the other counties of the State. The Superior Court has jurisdiction where the amount claimed exceeds \$20. Municipal Court of the city of Boston has jurisdiction concurrently with the Superior Court in the county of Suffolk, in actions where the debt does not exceed \$1,000, provided one or more of the defendants resides or has his usual place of business in the city of Boston. The other Municipal, District and Police Courts throughout the State have, as a rule, concurrent jurisdiction up to \$50.

**EXECUTIONS.** Cannot issue until twenty-four hours after judgment rendered, and an original execution must be issued within one year after plaintiff is entitled to sue out the same. Executions from all courts are returnable within sixty days. There is no stay of execution, except by special order of court.

**EXEMPTIONS.** Homestead, if recorded, to the value of \$500. Household furniture, \$700; library, \$50; tools and implements, \$100; stock, \$100; boats and fishing tackle, etc., \$100; one cow, six sheep, one swine and two tons of hay, sewing machine, necessary wearing apparel, pew in church, etc.

**INTEREST.** Legal rate, six per cent., which is allowed on judgments. There are no usury laws, and any rate may be reserved or contracted for in writing.

**JUDGMENTS** may be entered within four days of default but do not constitute a lien upon realty or personally of debtor not attached on the original writ. Are not outlawed for twenty years.

**LIMITATIONS TO SUITS.** Contracts or liabilities, express or implied, and not under seal, six years; real actions upon an attested note and personal actions on contracts not limited, twenty years. Revivor: Part payment, or new promise to pay in writing.

**MARRIED WOMEN.** The real and personal estate of a married woman, acquired at any time, remains her sole and separate property, not subject to the control of her husband, nor liable for his debts. Married women may carry on trade or business, make contracts, sue and be sued, in all matters relating to their separate property, and such contracts are not binding upon the husband. Wife can not deprive her husband of more than half of her personal property by will, nor can she impair his interest in her real estate as tenant by the entirety without

his written consent. Widow takes dower as at common law, in one-third of her husband's real estate, and if there be no children she takes one-half for life.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace are allowed on all negotiable paper payable at sight or at a future day certain, except that no day of grace shall be allowed upon any bill of exchange, note or draft, payable on demand, nor upon a check drawn upon a bank. The drawer of a bill or draft requiring acceptance has till two o'clock p. m., on the next business day after presentment to decide whether he will accept. Bills of exchange, drafts, promissory notes and contracts, due and payable, or to be executed, on Sunday or any Fast day or Thanksgiving day appointed or recommended by the Governor or by the President, or Christmas day, twenty-second day of February, the fourth day of July, or on the following day when either of the two days last mentioned occurs on Sunday, shall be payable or performable upon the business day next preceding said days; and in case of non-payment or non-fulfillment may be noted and protested upon such preceding day; but the holder or holders of such obligations need not give notice of the dishonor, non-payment or non-fulfillment thereof until the business day next following the days above specified. To charge indorsers of a promissory note payable on demand, a demand made at the expiration of sixty days from the date thereof without grace, or at any time within that term, shall be deemed to be made within a reasonable time. No presentment of such note to the promisor and demand of payment will charge the indorser, unless made on or before the last day of said term of sixty days. Orders and drafts for money payable within this State, in which no time of payment is expressed, shall be deemed to be payable on demand. All persons becoming parties to promissory notes payable on time by a signature in blank on the back thereof, shall be entitled to notice of the non-payment thereof the same as endorsers.

**SUITS.** Civil actions in general, except those concerning land, (if one of the parties lives in the State) must be brought in the county where one of them lives or has his usual place of business. Where all parties are non-resident, action may be brought in any county.

**TAXES** assessed on real estate are a lien for two years after they are committed to the Collector. If not paid on demand, Collector may sell after advertisement. Owner, his heirs or assigns, or recorded mortgagor, may redeem within two years by payment to the purchaser of the sum paid by him, with ten per cent. interest and all necessary intervening charges.

## MICHIGAN.

**ACKNOWLEDGMENTS.** Deeds of lands or any interest therein, executed within this State, must be witnessed by two persons, and may be acknowledged before any Judge or Commissioner of a court of record, a Notary Public, or a Justice of the Peace. When an instrument in writing is acknowledged out of this State, it may be done before any Judge of a court of record, Notary Public, Justice of the Peace, Master in Chancery, or other officer authorized by the laws of such State to take the acknowledgment of deeds therein, or before any Commissioner appointed by the Governor of Michigan for that purpose. Unless the acknowledgment be taken before a Commissioner for Michigan, the instrument should have attached thereto a certificate of the Clerk of a court of record of the county or district within which such acknowledgment was taken, under the seal of his office, that the person whose name is subscribed to the certificate of acknowledgment was, at the date thereof, such officer as he therein represented to be; that he believes the signature of such person subscribed thereto to be genuine; and that the instrument is executed and acknowledged according to the laws of such State, Territory or District.

**ASSIGNMENTS AND INSOLVENCY.** Assignments for the benefit of creditors may be made by an insolvent debtor, with or without preference. Assignee must give approved bond in double the amount of property assigned.

**ATTACHMENT.** Process will issue on affidavit that debtor has absconded, or is about to abscond from the State; has assigned, removed, or concealed his property with intent to defraud; or fraudulently contracted the debt; or is non-resident, or a foreign corporation. Garnishee process may be issued from any court in which the original suit might be commenced, but the wages of

any householder, having a family, to the extent of \$25, are exempt from garnishment. Arrests of debtors may be made in all actions other than those arising on contract, and in such actions when the claim is for money collected by any public officer, or for misconduct or neglect in office or professional employment. No woman can be arrested on civil process.

**COURTS, Terms and Jurisdiction.** Circuit Courts, holding from two to four terms a year in each county, have original and exclusive jurisdiction when the debt exceeds \$100. The Superior Court of the city of Detroit and the Superior Court of the city of Grand Rapids have original and concurrent jurisdiction with the Circuit Courts in all civil actions where the debt or damages exceeds \$50, and in which the defendants, or one of them, shall have been served with process in the said respective cities. Justices' Courts have original jurisdiction when the debt does not exceed \$100, and concurrent jurisdiction with the Circuit Court when the debt does not exceed \$30. There is a Probate Court in each county, with the usual powers.

**EXECUTION** may issue at once in Circuit Courts, and within five days from rendition of judgment in Justices' Courts. Executions are returnable in sixty days. Stay in Justices' Courts may be obtained by giving secured bond for payment of judgment, costs, and interest; the time allowed being four months when the judgment does not exceed \$50, and six months when above that sum. Lands sold under execution may be redeemed within one year, by payment of the purchase money, with ten per cent. interest. Executions may issue at any time during the life of a judgment.

**EXEMPTION.** Homestead of any householder not exceeding forty acres, if in the country, or a house and lot in a city, town or village, the value in either case not

to exceed \$1,500. Can not be alienated or encumbered without consent of the wife, whose such relation exists. **INTEREST.** Seven per cent. per annum is the legal rate of interest, but parties may contract in writing for a higher rate, not exceeding ten per cent. The penalty for delay for a creditor of the debtor, but no action can be maintained to recover back such excess after the voluntary payment of the same. A bona fide purchase of negotiable paper is not affected by its being usurious. One action in four seven per cent. per annum. Judgments bear the same rate of interest as the instrument upon which such judgment was founded.

**JUDGMENTS** are not final until execution has been issued thereon and a levy made. Judgments can be obtained in the Circuit Court in from forty-five to sixty days, depending on return day, time of service, term of court, etc. In Justice' Courts, if defendant makes default, judgment can be obtained on return day of process. Judgments of courts of record call ten years; of Justice' Courts, six years.

**LIQUIDATIONS OF DEBTS.** On accounts and notes, actions can not be brought unless within six years from the time they were due, or from the time the last payment was made. Sealed instruments and judgments, two years. The statute of limitations must be pleaded specially. Defenses: Full payment, or promise to write to pay.

**MARRIED WOMEN** may make contracts in respect to their own property, and may have, hold and enjoy the same, and have the same rights and remedies as though they were unmarried. But a married woman's signature or endorsement of a note given to secure the debt of her husband or other person, is void. She may, however, bind her real or personal property, to secure such indebtedness, by mortgage. A mortgage upon a homestead is void unless signed by the wife. Widow takes dower; the two during her natural life of specified part of all the lands whereof her husband was seized at an estate of inheritance at any time during coverture.

**MORTGAGES** of real estate must be recorded within the thirty and if not so recorded are void as against subsequent purchasers for a valuable consideration. Charged mortgages are absolutely void as against another one or subsequent purchase and mortgages in good faith, unless the mortgage or a true copy thereof be filed in record, or possession of the goods be given to and retained by the mortgagee. Such mortgages seem to be valid after one year, unless within thirty days before the expiration of that time they are recorded or filed.

**NOTES AND BILLS OF EXCHANGE.** On all bills of exchange and negotiable notes, drafts, and other papers within their date, three days of grace are allowed, but not in case of a bill of exchange, time or date certain or on demand. All checks, bills of exchange or drafts drawn on any bank, are payable without grace, and it is not necessary to present the same for non-payment.

In all other cases demand, protest for non-payment, and the sending notice of protest to the holder, at his regular place of business or residence, are necessary to bind the holder. Damages on demands less than ten dollars, three to ten per cent. Damages on demands over ten dollars and payment in full of exchange and promissory notes, in the holding of courts, etc. Following 1st day of January, New Year's day, 22d of February (Washington's Birthday), 4th of July, 22d of October (Christians Day), 2nd of May (Emancipation day), and any day appointed by the Governor of the President of the United States as a day of Thanksgiving. In case any of said holidays shall fall on Sunday, then the Monday following shall be considered as the said holiday. When the last day of grace falls on Sunday, or on any legal holiday, the day previous be considered as the last day of grace.

**TAXES** assessed against real estate become a charge against the owner on the second Monday of May, and a lien on the real estate from first Monday in December of same year. ## MINNESOTA.

**ACKNOWLEDGMENTS.** Deeds must be signed, sealed and acknowledged by the grantor, and attested by two witnesses. Within the State acknowledgments may be made before any Justice or Clerk of a court of record, Justice of the Peace, Notary Public, Register of Deeds, Court Commissioner or County Auditor. Debtor must file inventory and list of creditors and assignee must give bond with two sureties to double the value of property assigned. Notice of assignment must be published and also mailed to each creditor. Creditors holding secured claims must surrender same to the assignee before they can share in trust property. All proceedings are subject to order and supervision of the Justice of the District Court, who may remove assignee for cause. There is no provision for the discharge of the debtor, and personal judgment may be taken against him, notwithstanding the assignment.

**ATTACHMENTS.** While of attachment issue on the proper affidavit being made and bonds given; when the debt was fraudulently contracted; when the debtor is a foreign corporation or not a resident of this State, or his departed therefrom with intent to defraud or delay his creditors, or to avoid the service of summons, or keeps himself concealed thereby with like intent, or has assigned, secreted, or disposed of, or is about to assign, secrete or dispose of his property, with intent to delay or defraud his creditors. These attachments can be released, on debtor giving proper bonds to pay the judgment, if one is obtained. There are also garnishment laws, which in effect are a simple form of attachment. Before

Assignee must, within ten days, file schedule of assets and liabilities and all claims must be certified under oath within six months. Dissenting creditors take no benefit under the assignment, but retain their claims.

**ATTACHMENTS** of all real and personal property may be made on the original writ, and constitute a valid lien on the property for thirty days after judgment, within which period the execution must be levied to preserve and perfect the lien. All attachments take precedence in order of priority. Trustee process (analogous to garnishment in other States) may be used to reach money or credits of the defendant in the hands of another. Save as against claims for necessities the wages of the defendant up to \$20 are exempt from such process. In actions on contracts where debt exceeds \$13.33, defendant may be arrested on affidavit of plaintiff that he (defendant) has concealed his property or is about to leave the State to avoid payment of his debts.

**COURTS, Terms and Jurisdiction.** Supreme Court, holding from two to four terms a year in each county, has original jurisdiction of all actions involving over \$13.33, and full equity powers. Police Courts have jurisdiction to the amount of \$100, and a recent amendment of the Constitution authorizes the Legislature to increase the jurisdiction of Justices of the Peace to \$100, where the title to real estate is not in question.

**EXECUTIONS** may be taken immediately upon judgment, and are returnable before Justices' and Police Courts in sixty days, before Supreme Court at the next trial term of court. Interest upon all judgments is at the rate of six per cent. per annum. Interest upon unpaid taxes is at the rate of ten per cent. before sale of property taxed, and twelve per cent. thereafter until time of redemption. Upon current accounts interest commences from date of demand for payment, unless controlled by the custom of trade, which is a question of fact to be determined by a trial thereof.

They are liable for debts contracted while single, and their property may be attached to pay them. They are also liable for their torts before marriage in relation to their separate property. But if the legal holiday (other than Sunday) should fall upon a Sunday or Monday, bills are payable on Tuesday, and notice may be given on Wednesday. Legal holidays are: New Year's Day, Jan. 1, Feb. 22, May 30, July 4, Dec. 25, Thanksgiving Day, and all days on which a general election for members of Assembly may be held. The 1st day of January, the 4th day of July, the 25th of December, and any day appointed or recommended by the Governor of Ohio, or the President of the United States, as a day of fast or thanksgiving, is treated and considered as the first day of the week. When the 1st day of January, 4th day of July, or the 25th day of December shall be the first day of the week, the succeeding Monday is also treated and considered as the first day of the week. When made payable to order or bearer, they are negotiable by indorsement thereon, and vest the title thereof in indorsee.

**SUITS.** There is but one form of action, known as a civil action, which must be prosecuted in the name of the real party in interest, except as to administrators, trustees, etc. In certain cases service may be made by publication.

**TAXES** are due on December 20 of each year, but the party charged may at his option pay one-half then and the remainder on or before June 20 following. Lands delinquent for three semi-annual instalments are sold by the County Treasurer. Owner can redeem within two years by paying amount for which the land was sold, all subsequent taxes and interest, and a penalty of twenty-five per cent. If redeemed within one year, and fifty per cent. if within two years.

## OREGON.

**ACKNOWLEDGMENTS** may be taken by any officer appointed by the laws of the State, Territory or district where made, or before any Commissioner appointed by the Governor of this State for such purpose, and unless the acknowledgment be taken before such Commissioner, it must be certified by the Clerk or other proper certifying officer of a court of record of the county or district within which such acknowledgment was taken, under the seal of his office, that the person whose name is subscribed to the certificate of acknowledgment was, at the date thereof, such officer as he is therein represented to be, and that he believes the signature of such person subscribed thereto to be genuine, and that the deed is executed and acknowledged according to the laws of such State, Territory or district.

**ASSIGNMENTS AND INSOLVENCY.** There is no insolvent law, but every person confined in jail on an execution is entitled to his discharge at the end of ten days, upon the conditions prescribed by law, and after being once discharged the debtor is forever exempt from arrest under that debt. An assignment does not free the debtor from his liabilities, but a debtor may prefer a creditor by confessing judgment, giving a mortgage, or assigning specific property as security or in payment.

**ATTACHMENT PROCESS** may be had when defendant is a foreign corporation, or non-resident, or in actions on contracts for the direct payment of money, where no mortgage, lien or pledge was taken or created, or if the debt was so secured, when the security has been rendered valueless by act of the defendant. Plaintiff must give the usual bond in double the amount involved. Debts owing defendant may be garnished. Defendant may be arrested when not a resident of the State, or in actions to recover personal property unjustly detained, or where the debt was fraudulently contracted, or defendant has removed his property with intent to defraud.

**COURTS, Terms and Jurisdiction.** Circuit Court is held once a year in Curry, Columbia and Tillamook counties, three times a year in Marion county, (Salem), and twice a year in other counties, and has unlimited

civil jurisdiction. There is a County Court in each county, holding from four to twelve trial terms each year, with full probate powers and civil jurisdiction up to \$500. Justices' jurisdiction, \$250.

**EXECUTION** issues immediately, and is returnable in sixty days in the Circuit Courts; thirty days in all other courts. Execution may issue at any time within five years after judgment. There is no stay law. Judgment debtor, or his successor in interest, or any creditor having a lien, may redeem real estate sold under execution within sixty days of the confirmation of the sale, and lien creditors may continue to so redeem within sixty days of each sale, the last purchaser being entitled to a deed.

**EXEMPTIONS.** There is no homestead law. Personal property exempt includes books, pictures and musical instruments to the value of \$75; wearing apparel to the value of \$100, and if a householder, to the value of \$50 for each member of the family; tools, implements, apparatus, team, vehicle, harness or library, when necessary in the occupation or profession of a judgment debtor, to the amount of \$400; if the judgment debtor be a householder, ten sheep with one year's fleece, two cows, five swine, household goods, furniture and utensils to the value of \$300. No article of property is exempt from execution issued upon a judgment for the purchase price.

**INTEREST.** Legal rate, ten per cent.; contracts may be made in writing for twelve per cent. Usury works forfeiture of principal and interest.

**JUDGMENTS** are a lien from date of docketing on all defendant's real property within the county or counties where same is docketed, and on all which he may subsequently acquire during the life of the judgment. If ten years are allowed to elapse without issuance of execution on the judgment the lien ceases.

**LIMITATIONS OF SUITS.** On contracts not under seal, express or implied, six years; on judgments or decrees of any court and sealed instruments, ten years; recovery real property, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** retain their real and personal estate acquired at any time free from the control of their hus-

lands. Property must be registered in the County Clerk's office. A married woman may make contracts in her own name, buy goods, and give notes in settlement, and her real and personal property may be sold to satisfy the same. She may dispose of her real estate by will, subject to any rights which her husband may have as tenant by the curtesy.

MORTGAGES are executed in the same manner as deeds, and foreclosed by suit in equity. Chattel mortgages, excepted thereof, must be immediately filed with the County Clerk, and cease to be valid as against creditors or purchasers after the expiration of one year, unless so filed within thirty days next preceding the expiration of said year.

NOTES AND BILLS OF EXCHANGE. Three days of grace are allowed on all bills of exchange payable at sight or on a day certain, and on all promissory notes. The drawers on a note, when properly charged by protest, are liable as long as the maker. Damages allowed on

promoted bills, domestic, are not more than ten per cent.

SALES. Practice is under a Code similar to that of New York, but the distinguishing feature here and applies to retained, more and actions in the County and County Courts are commenced by filing a verified complaint with the Clerk of the court. A summons is served by personally delivering to the debtor or leaving at his residence, in the county, with a white person over fourteen years of age, a copy of the summons and a certified copy of the complaint, and if default then made appear or answer in ten days, the creditor may take judgment. In case of non-resident debtors who have property in the State, the court may order service by publication of the summons.

TAXES. Lands sold for taxes may be redeemed within one year on payment of the purchase money and twenty per cent. thereon; within two years, thirty per cent.

## PENNSYLVANIA.

ACKNOWLEDGMENTS of deeds to be recorded in Pennsylvania must be made before any Mayor, or chief magistrate of any city or town incorporated (under the public seal), any Justice or any Judge of any court of record, Commissioner for Pennsylvania, or before any officer appointed by the laws of the State where taken. If certified by the seal of the Clerk of any court of record, that the officer taking such acknowledgment is duly qualified by law to take the same.

ASSIGNMENTS AND INSOLVENCY. There is no insolvency law, and no provision for the discharge of a debtor on his making an assignment. Voluntary assignments must be for the benefit of all creditors, but debtor may prefer a creditor by conferring judgment or assigning specific property as security or in payment. Assignees must file an inventory and appraisal within thirty days, and must settle his accounts and distribute the assets under direction of the Court of Common Pleas.

ATTACHMENT. Property of resident debtors may be attached: When debtor is about to remove his property out of the jurisdiction of the court in which the attachment is applied for, with intent to defraud his creditors; when he has property which he fraudulently conceals; when he has disposed of or is about to dispose of his property, with intent to defraud his creditors; when he has fraudulently contracted the debt or incurred the obligation for which the claim is made. In this attachment the creditor must make affidavit to prove one or more of the foregoing acts, and must give bonds conditioned that, if he fails to prosecute his action with effect and to recover a judgment against the debtor, he shall pay to the debtor all legal costs and damages which the debtor may sustain by reason of said attachment. Attachment can also be had when defendant is non-resident. A defendant may be arrested after suit brought, upon proof that he is about to remove his property to defraud his creditors, or has done so, or that he fraudulently conceals his property, or that he fraudulently contracted the debt; he may be committed unless he pays the debt, or gives security to do so within sixty days, or gives bonds to take the benefit of the insolvent law.

COURTS, Terms and Jurisdiction. Courts of Common Pleas in the several counties have original jurisdiction in all suits over \$100. Orphans' Courts have full probate powers. Justices' Jurisdiction throughout the State is \$100, but in Venango, Lawrence, Erie, Crawford, Mercer and Warren Counties has been extended to \$300. In Philadelphia there are Magistrates with same civil jurisdiction as Justices, whose place they supply.

EXECUTIONS may be issued as soon as judgment is obtained, or at any time within five years. The writ of execution is made returnable to the first Monday of the following month; but it is the duty of the Sheriff to make his levy at once, and he may proceed to sell personal property upon six days' notice, and distribute the proceeds. Stay of execution can be taken, by giving security, on all sums of \$200 and under, six months; between \$200 and \$500, nine months; over \$500, twelve months. The stay is computed from the return day of the writ. There is no redemption of property sold under execution.

EXEMPTION. No homestead law. Real or personal property to the value of \$500, in addition to wearing apparel, Bibles, and school-books, and a sewing-ma-

chine are exempt, but the privilege is personal only and can be waived at any time.

INTEREST. The legal rate is six per cent; usurious interest can not be collected, and if paid may be recovered back, provided, such is brought thereafter within six months. Most of the savings banks are by special statute authorized to loan money at higher rates of interest. Convulsion merchants and agents may contract with parties outside the State for loans per cent. It is not usury for a borrower to contract to pay the three per cent upon the money lent, nor to pay a reasonable attorney's fee in case suit is brought for its collection. Interest is due upon every debt from the time it becomes due and payable. The rate is the same on all debts, whether secured by judgment or not.

JUDGMENTS bind all the interest of defendant in real estate within the county where the judgment was entered, and under the Act of March 23, 1877, a writ of a jury for a civil case (unless a new trial is granted) is also a lien on real estate. Lien exists for five years, and may be continued by revival of the judgment. Justices' judgments become final by filing transcript in the Court of Common Pleas.

LIMITATIONS OF SUITS. Contracts, notes, and instruments not under seal, six years; judgments, mortgages, and sealed instruments, twenty years. Receipts Acknowledgment complied with promise to pay; promise may be implied, if acknowledgment is made, express, and nothing to negate such implication.

MARRIED WOMEN. All property of wife acquired before or after marriage, held and enjoyed as her separate estate, but may be charged for necessaries contracted by her for her family. As a general rule, a married woman can not make a valid contract, except for necessaries, or sell or convey her real estate without her husband joining in the deed. She may make a will, subject to her husband's right as tenant by the curtesy, and may transfer railroad stock, State or Philadelphia city loans, and loans or stock of any corporation created under the laws of Pennsylvania. She may also keep a bank account, and draw money on her own check, without consent of her husband, but the earnings belong to her husband, unless secured to her own use by order of the Court of Common Pleas. Wife takes dower in one-third of all lands owned by her husband during marriage.

MORTGAGES are executed and acknowledged same as deeds, and free debtors from time of recording except where given for purchase money, when the mortgage is a lien from its date, if recorded within sixty days. Chattel mortgages may be given on moving property, lumber, petroleum, iron and other articles specified; must be for not less than \$500, and must be filed of record. The lien thus created continues one year, and must be revived within thirty days of the expiration of that period, or it becomes void.

NOTES AND BILLS OF EXCHANGE. The Act of March 23, 1875, allows days of grace on all bills of exchange, drafts, promissory notes, and other negotiable instruments, excepting sight bills and drafts, and checks on banks or bankers, whether payable on presentation or upon some day or time subsequent to the date of issue. Five to ten per cent. damages are allowed on domestic bills, and ten to twenty per cent. on foreign bills protested.

NOTES may be commenced at any time. All writs are returnable on the first Monday of each month except

September, when it is the third Monday, and, if debtor's residence is known, the writ can be issued as late as the Saturday before return day. A summons from a Justice of the Peace is returnable on a day named therein, which must not be less than five or more than eight days after the date of the writ, and must be served on the debtor at least four days before the date fixed for the hearing of the case.

## RHODE ISLAND.

**ACKNOWLEDGMENTS.** No estate of inheritance or freehold can be conveyed by deed unless the same be signed, sealed, and delivered by the grantor, and acknowledged before a Senator, Judge, Justice of the Peace, Notary Public, or Town Clerk, and recorded in the office of the Town Clerk where the lands lie. Instruments relating to lands within this State, executed elsewhere in the United States, may be made before a Judge, Justice of the Peace, Notary Public, or before any Commissioner appointed by the Governor, and duly qualified thereunto. In foreign countries before a Minister, Consul, Vice-Consul, or other agent of the United States, or any properly qualified Commissioner within such country.

**ASSIGNMENTS AND INSOLVENCY.** There is no general insolvent law. Assignments for equal benefit of all creditors are allowed; all preferences are void.

**ATTACHMENT PROCESS.** Will issue on creditor making affidavit as to his claim, and that debtor is a corporation established out of the State, or has left the State and is not expected to return in season to be served with process returnable to the next term of such court, or has committed fraud in contracting the debt on which suit is brought, or in the concealment or disposition of his property, or since contracting the debt on which suit is brought, has been the owner of property or in the receipt of an income which he has refused or neglected to apply toward the payment of said debt, though requested by the creditor so to do. **COURTS, Terms and Jurisdiction.** Court of Common Pleas has jurisdiction where the claim amounts to \$100 and upwards. Supreme Court has concurrent jurisdiction with the Court of Common Pleas where the amount claimed is \$100 and upwards, excepting in the county of Providence, where said Court has jurisdiction concurrent with the Court of Common Pleas, where the amount claimed is \$300 and upwards. Justices' jurisdiction \$100. The Town Councils are Courts of Probate within their respective towns, and the Municipal Court of Providence is the Court of Probate of that city. Any town may, however, elect a Probate Judge at its annual election.

**EXECUTIONS** are returnable at the next term of court after they issue, and can only be stayed by leave of the court. There is no redemption of property sold under execution. In default of goods and chattels on which to levy, execution may issue against the body of the debtor in cases where fraud is alleged.

**NOTES AND BILLS OF EXCHANGE.** The Acts of April 20, 1876, provide that "all bills of exchange drawn at sight, due and payable within this State, and in which there is not a provision to the contrary, shall be allowed three days grace." And further, that "any person upon whom a bill of exchange or draft is drawn which requires acceptance, shall have until 2 o'clock in the afternoon of the business day next succeeding the first presentation thereof in which to decide whether or not he will accept the same; provided, however, that all bills of exchange or drafts which may be for cause held over one day, shall, when accepted, date from day of presentation." Acknowledgments of deeds within the State can only be taken before Notaries Public and Trial Justices, and without the State by a Commissioner of Deeds for South Carolina.

**ASSIGNMENTS AND INSOLVENCY.** An embarrassed debtor may assign his property for the benefit of creditors, who have the right to appoint an agent or agents equal to the number of assignees. Where none are appointed, assignee can act alone and must report to creditors every three months. Assignee's compensation is five per cent. The assignment of all his property by a debtor under arrest effects his discharge from such arrest. Only the claims of creditors participating in dividends are affected by these assignments.

**ATTACHMENTS** will issue in an action arising on con-

tract for the recovery of money only, or in an action for the wrongful conversion of personal property, against a corporation created by or under the laws of any other State, government or county, or against a debtor who has absconded or concealed himself, or whenever any person or corporation is about to remove any of his or its property from the State, or has assigned, disposed of, or secreted, or is about to assign, dispose of, or secrete any of his or its property, with intent to defraud creditors; the creditor, at the time of issuing the summons, or at any time thereafter, may have the property of such debtor or corporation attached as a security for the satisfaction of such judgment as the creditor may recover. Proceedings in case of attachment are prescribed by the code. Garnishee process can be had in aid of attachment.

**COURTS, Terms and Jurisdiction.** Courts of Common Pleas are held three times a year in each county and have jurisdiction in all civil cases not cognizable

by the Trial Justices. There is a Probate Court in each county, holding monthly sessions and possessing the usual powers. Justices' Jurisdiction, §191.

Two years are allowed for redemption. If redeemed within one year there must be paid the price for which the land was sold, all legal expenses, subsequent taxes paid, and twenty five per cent. penalty thereon, the value of all growing crops, two dollars for advertising and fifty cents to the Auditor. If redeemed after one and within two years the same payment, but with a fifty per cent. penalty.

## TENNESSEE.

ACKNOWLEDGMENTS within the State must be taken before a Clerk of a County Court, or his deputy, or a Notary Public. In other States before any court of record, or before the Clerk of any such court, Notary Public, or Commissioner of the State of Tennessee. The acknowledgment of a Notary or a Commissioner under his seal of office is sufficient, without further proof of his official character. The certificate must be in the form prescribed by statute. In case the deed is acknowledged by both husband and wife, the privy acknowledgment of the wife is taken in addition to the above. If made out of the United States, must be before a Commissioner of Tennessee appointed for such country, a Notary Public, or an Ambassador, Minister, or Consul of the United States.

ASSIGNMENTS AND INSOLVENCY. No insolvent law. Debtor may prefer one or more creditors to the exclusion of others. Assignee must give secured bond, which must be registered within the county where the property is situated. Such assignment does not operate as a discharge from liabilities.

ATTACHMENT. Process will issue where the debtor resides out of the State; is about to remove or has removed himself or property from the State; has removed or is removing himself from the county privately; is concealing himself, so that the ordinary process of law cannot be served upon him; absconds or is absconding or concealing himself or property; has fraudulently disposed of or is about fraudulently to dispose of his property; or when any person, liable for any debt, residing out of the State, dies, leaving property in the State. A party who resides in the same State as the defendant cannot attach on the ground of the non-residence of the defendant. Debtor, and not due, owing to the defendant, and property of any kind in the hands of a third person, are subject to garnishment. There is no imprisonment for debt or on civil process.

COURTS, Terms and Jurisdiction. Circuit Courts hold three terms annually, and have general common law jurisdiction in all cases involving over \$50. Chancery Courts, holding two terms annually, have full equity jurisdiction above \$50, and, by a recent Act, (March 26, 1877) have concurrent jurisdiction with the Circuit Courts of all civil causes, except actions for injuries to person, property, or character, involving unliquidated damages. Justices of the Peace have jurisdiction in equity up to \$50; in actions of tort to \$200, and in suits against makers or acceptors of bills, etc., up to \$1,000.

INTEREST. The law of this State which allowed ten per cent. interest to be charged on special contracts has been repealed, and no higher rate than six per cent. is now legal. The penalty for usury is, however, only forfeiture of the excess, and a fine is no longer imposed for lending money at its market value.

LIMITATIONS OF SUITS. Upon bonds, notes, accounts and contracts generally, six years; judgments of decrees of courts of record and other claims not expressly provided for, ten years. Reverter: Acknowledgment, expressed willingness to pay or promise; part payment not in itself sufficient.

MARRIED WOMEN can hold real and personal property exempt from the husband, and not liable for his debts. NOTES AND BILLS OF EXCHANGE. Days of grace are not allowed on bills of exchange payable at sight. Negotiable paper falling due on January 1, July 1, December 12, or any day appointed day of holding or acknowledging, is due on the previous day, unless such previous day is Sunday, in which case it is due on the Saturday preceding.

SUITS. Actions in courts of record are commenced by summons issued by the Clerk of the court, and non-residents may be served by publication.

## TEXAS.

(Compiled by Hon. Philip Lindsay, Attorney at Law, Dallas, Texas.)

**ACKNOWLEDGMENTS** of deeds, executed out of this State but within the United States, or Territories, to land in this State, may be taken before a Notary Public, Judge of a court of record having a seal, or Commissioner of Deeds for Texas. If executed out of the United States, by any public Minister, Charge d' Affaires, Consul of the United States, or Notary Public.

**ATTACHMENT.** The seven grounds of attachment, under Texas Statute, except the third, "when the defendant has abandoned the country," are correctly given in Drake on Attachment, p. 643.

**COURTS, Terms and Jurisdiction.** District Court holds two terms each year, except in counties of Bexar and Galveston, where five terms are held. Has exclusive jurisdiction of suits involving title to real estate; of all amounts over \$1,000, and concurrent with County Court between \$50 and \$1,000, exclusive of interest. County Court holds six terms each year, beginning respectively in January, March, May, July, September and November, and is a court of record; has exclusive jurisdiction between \$200 and \$500, exclusive of interest. Justice's Court holds a term every month. Exclusive jurisdiction under \$200 exclusive of interest.

**EXECUTIONS** issue, after date of judgment, in District Court, in twenty days; County Court, fifteen days; Justice's Court, eleven days. In Justice's Court, may be stayed ninety days. In actions of debt, appealed to Supreme Court for delay, judgment will be rendered for ten per cent. on the amount in dispute, as damages, together with the judgment, interest, and costs of suit.

**EXEMPTIONS.** By the constitution of 1875, (became the organic law third Tuesday of April, 1876), the homestead of a family not in a town or city consists of two hundred (200) acres of land, which may be in one or more parcels, with improvements thereon. In a city, town or village it consists of a lot or lots, not to exceed \$5,000 in value at the time of their designation as the homestead, exclusive of improvements, provided the same be used as a home, or as a place to exercise the calling or business of the head of a family. The homestead is protected from forced sale except for taxes, or for the purchase money, or for improvements thereon, and in this last case, only when the work and materials are contracted for in writing, with the consent of the wife, given in same manner as required in making a sale of homestead. In case of death of the husband, the widow and children have one year's support from the estate, and if the property exempt by law does not exist in kind, a sufficiency of the estate may be sold for cash, to raise allowance for homestead, not to exceed \$5,000, and for other exempt property, not to exceed \$300. All household and kitchen furniture, all implements of husbandry, all tools and apparatus belonging to any trade or profession, all books, five milch-cows and calves, two yoke of work oxen, two horses and one wagon, one carriage or buggy, twenty hogs, twenty sheep, all provisions and forage on hand for home consumption, and sundry other articles, are also exempt.

**INTEREST** on written contracts, when no rate is expressed, eight per cent. On open accounts when no rate agreed upon, eight per cent. from 1st day of January after same are made. Parties may contract for any rate, not exceeding twelve per cent. per annum. Over twelve per cent. is usury, and forfeits all interest; but does not affect principal. Usury incurs no criminal liability. Judgments bear eight per cent. interest, when rendered on contracts having no rate agreed upon; otherwise they bear same rate expressed in contract sued on.

**INSOLVENCY.** There are no insolvent laws in this State, and never were any except the bankrupt law of the Republic which has been repealed.

**JUDGMENTS.** In courts of record, are a lien on real estate of debtor in county where rendered, if execution issues within one year from the day upon which by law it could issue. A certified transcript of the judgment, recorded in any other county, creates a lien upon real estate of debtor in such county. In Justice's Court, judgment operates as a lien upon real estate of defendant in the county where rendered, whenever certified copy is filed for record in County Court Clerk's office of such county. In Federal Court, judgments are a lien upon real property of defendant, situated within the district in which they are rendered.

**LIMITATIONS TO SUITS.** Upon actions of debt, grounded upon any contract in writing, within four years after right of action accrues. Accounts, other than open accounts between merchant and merchant, two years. If debt, secured by mortgage, is barred, creditor has no remedy on his mortgage; but a new promise, which revives the debt, will operate as a revival of the mortgage though no words to that effect in new promise.

**MARRIED WOMEN.** The commercial paper of a married woman is valueless; she can not bind herself, nor her separate estate, by making, drawing, accepting, or indorsing negotiable instruments. Her separate estate is not liable for her husband's debts. She may contract for necessities for herself and children, and incur expenses for the benefit of her separate property; and the latter is bound for such necessities and expenses.

**NOTES AND BILLS OF EXCHANGE.** The holder of any bill of exchange or promissory note, negotiable by law, may fix the liabilities of any drawer or indorser without protest, by instituting suit against the acceptor of such bill of exchange or maker of such note, before the first term of District Court, to which suit can be brought, or before second term, showing good cause why suit was not brought at first term. If within the jurisdiction of justice, suit must be brought within sixty days after right of action accrues. The Act of Legislature, making jurisdiction of County Court exclusive between \$200 and \$500, contains no provision in regard to fixing the liabilities of indorsers and drawers by suit. Whether or not District Court Act is applicable to County Court, has not yet been passed upon by the courts. **PROTEST.** The holder of any such bill of exchange, or note, may also fix the liability of any drawer or indorser, without suit against the acceptor, drawer or maker, by procuring such bill or note to be regularly protested, according to the custom of merchants. The holder of a protested draft or bill, drawn by a merchant within this State upon his agent or factor without the State, may recover ten per cent. damages thereon, besides interest and costs. **DAYS OF GRACE** (three days) shall be allowed on all bills of exchange and promissory notes, negotiable and assignable by law.

**MORTGAGES** are a mere security for the debt, and must be enforced by sale of property; power of sale to trustee is revoked by death of mortgagor, and the lien must be enforced through the Probate Court.

**CHATTEL MORTGAGE,** to be valid as to creditors and purchasers without notice, must be accompanied by immediate delivery, followed by actual and continued change of possession of property, unless the same is filed in the office of the County Clerk of the county where the property is situated, or in the county of residence of the mortgagor.

## UTAH.

**ACKNOWLEDGMENTS** may be made, within the Territory, before a Judge or Clerk of a court having a seal, a Notary Public, County Recorder, or Justice of the Peace. Elsewhere in the United States, before a Judge or Clerk of any court having a seal, a Notary Public, or a Commissioner of Deeds for Utah. Out of the United States, before a Judge or Clerk of court as aforesaid, a Notary Public, or any Minister, Commissioner or Consul of the United States, appointed to reside in the country where the deed is offered.

**ASSIGNMENTS AND INSOLVENCY.** There is no insol-

vent law, and no law governing assignments for benefit of creditors.

**ATTACHMENT.** Process may issue in an action upon a contract which is not secured by mortgage, lien, or pledge upon real estate or personal property situated in this Territory, or if secured, after the security has been rendered nugatory by the act of the defendant, against a non-resident defendant or against a defendant who has departed or is about to depart from the Territory or county wherein the action is brought, or conceal himself so that process can not be served on him, or

who is disposing of his property with intent to defraud his creditors, by plaintiff making affidavit and giving an undertaking. After return of execution executed, the court may order any property or debt of the defendant in the hands of a third party to be applied in payment of the judgment. Defendant in a civil action may be arrested when about to leave the Territory with intent to defraud creditors, or where the debt was fraudulently contracted, or when defendant has removed or disposed of property. Plaintiff must furnish secured bond in at least \$500, and defendant may be released on giving like bond to pay the judgment or to appear at any time.

**COURTS, Terms and Jurisdiction.** District Courts, with exclusive original jurisdiction in chancery, and in all actions at law involving over \$300, and all cases relating to land or mining property, hold four terms each year in Salt Lake, Beaver and Provo cities. Each organized county has a Probate Court. Justices' jurisdiction, \$500.

**EXECUTIONS** may issue at any time within three years after judgment, and can only be stayed by appeal or by leave of court. Property sold under execution may be redeemed within six months, on payment of the amount paid, with six per cent interest and all charges, etc.

**EXEMPTION.** Homestead, not exceeding \$1,000, to head of family, and \$250 extra for each member of family. Also household furniture, tools of trade, farming implements, certain domestic animals and provisions for sixty days, and sewing machine, and the instruments or libraries of professional men.

**INTEREST.** Legal rate ten per cent. No money bears. Judgment becomes a lien on all real estate property of debtor within the county, and on judgments for two years from time of docketing. Lien may be extended by notice recorded by filing transcript. Judgments now barred after five years.

**LIENS AND DEBTS.** Open accounts and contracts not in writing, two years; contracts or obligations founded on writing, five years; judgments, ten years; recovery of lands, seven years. *Builder's Lien*—Indemnity—See provisions in writing.

**MARRIED WOMEN** retain all their property, real estate of any right or control of the husband, and are subject to husband's debts, on property owned by the wife at the time of marriage; women in the husband's estate the separate property of the wife, and all property acquired by her during marriage is her sole and separate property; and with reference to her separate property, she can contract and control the same as if she were a *single* sole. Heres has been abolished.

**MORTGAGES** of real estate must be acknowledged as debts, and must be foreclosed by proceedings in equity. There are no statutes regulating chattel mortgages, which are therefore subject to the common law. Some redemption of realty as if sold under execution.

**NOTES AND BILLS OF EXCHANGE** are governed by the law merchant. *Grace* is allowed on sight drafts.

**SUITS.** There is but one form of civil action, and all suits must be prosecuted in the name of the real party at interest. Service on non-residents may be had by publication.

## VERMONT.

**ACKNOWLEDGMENTS.** All deeds must be signed and sealed in the presence of two witnesses. They may be acknowledged in this State before a Justice of the Peace, Notary Public or Master in Chancery. Outside the State, before a Justice, Notary Public or Commissioner for Vermont, or any other officer authorized by the laws of such other State to take acknowledgments of deeds.

**ASSIGNMENTS AND INSOLVENCY.** There is an insolvent law (passed in 1876), but its provisions are of non-effect as regards non-resident creditors. The Probate Courts have jurisdiction in insolvency. All assignments must be for the benefit of all creditors.

**ATTACHMENTS** may issue on *in rem* process, and trustee process will reach goods, effects or credits of defendant in the hands of a third party. Defendant in a civil action may be arrested when about to leave the State with intent to defraud.

**COURTS, Terms and Jurisdiction.** Justices' courts have jurisdiction of all actions of a civil nature, except actions for slanderous words, false imprisonment, replevin for goods and chattels where the value thereof exceeds \$50, and where the title to land is concerned—where the matter in demand does not exceed \$300; and of actions of trespass on the freehold where the sum in demand does not exceed \$20. County Courts have jurisdiction of all debts exceeding \$300, and of the exceptions above named.

**EXECUTIONS** are issued from County Courts at the close of term, and from Justices' Courts immediately after judgment rendered, and are returnable in sixty days. Can only be stayed by order of court. Six months allowed for redemption of real estate sold under execution.

**EXEMPTIONS.** Homestead, \$500; necessary wearing apparel, household furniture and tools, one cow, two sheep, one yoke of oxen and two horses, with forage for one winter. Also all growing crops, a sewing machine, certain provisions, and instruments and libraries of professional men to the value of \$200.

**INTEREST.** The legal rate is six per cent. *per annum*. Judgments bear legal rate. Only the excess paid is forfeited, and that may be recovered back or set up in reduction of claim, if such action is brought or defense made within six years after payment of the note.

**JUDGMENTS** do not of themselves create a lien on property not attached upon *in rem* process.

**LIMITATIONS OF SUITS.** Simple promissory notes are barred in six years, but notes signed in presence of an attesting witness are not barred until fourteen years

next after the right of action shall accrue thereon. Accounts are barred after six years from the last entry; sealed instruments and judgments, after eight years. A verbal promise to pay will not revive a debt, but must be in writing. A partial payment will revive the debt; but, in case of a note, the payment can not be shown by the indorsement of the payment alone unless in the handwriting of the party making the payment.

**MARRIED WOMEN** hold their own property separate from that of their husband, and are not liable for his debts. The husband must join in the conveyance of his wife's real estate. A married woman may make a will and thereby devise her real and personal property. Widow takes dower in one-third of all real estate of which her husband died seized.

**MORTGAGES** are foreclosed by process of law, and the premises may be redeemed within one year of sale. Chattel mortgages are not valid as against bona fide purchasers or subsequent attaching creditors without change of possession of the property, except in the case of machinery in use. In the latter case the instrument must be executed, acknowledged and recorded in the same manner as mortgages of real estate, and must be foreclosed, assigned and discharged in the same way.

**NOTES AND BILLS OF EXCHANGE** are payable in three days' grace, unless payable on demand or at sight, or in any way but in money. Notes payable on demand are considered overdue after sixty days from date. Whenever any bill or note, or other contract and subject to grace, shall fall due on Sunday, the 1st day of January, 4th day of July, 25th day of December, or the 30th day of May, called *Emancipation Day*, or any day appointed by the Governor or President as a day of fast or thanksgiving, the same shall, for every purpose of protest and notice, be taken and considered as due on the first day next following. The maker and indorser of a promissory note cannot be joined in one suit. The note of a married woman, unless secured by mortgage, is void as against her.

**SUITS** before the County Court are brought in the county where plaintiff or defendant resides. If both are non-resident then in any county. Actions of attachment and trespass on the freehold must be brought in the county where the land lies, and actions of replevin where the goods are detained.

**TAXES.** Lands sold for taxes may be redeemed within one year on payment of the full sum for which they were sold, with legal costs and twelve per cent. interest.

## VIRGINIA.

**ACKNOWLEDGMENTS** within or without the State may be taken before a Justice, Notary, Commissioner in Chancery, or Commissioner for Virginia, Clerk of Court, Consul, Vice-Consul, Minister Plenipotentiary, and other officers, except that two justices are required in taking a married woman's acknowledgment.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent laws and no statutory provisions concerning assignments. But an insolvent debtor may make a voluntary assignment to a trustee for the benefit of creditors, and may prefer certain creditors to others. Such assignment does not operate as a release.

**ATTACHMENT.** The property of a non-resident debtor may be attached upon an affidavit being filed and bond given; also the property of a resident debtor who is about to remove his effects from the State. The only other case of attachment is where a tenant is removing his effects from leased premises, the landlord believing there will not be left on such premises sufficient property to satisfy the rent due and to become due, not exceeding in all twelve months' rent. By garnishment debts owing defendant may be collected and the proceeds held to await judgment. Arrest, in aid of remedy in civil action, does not lie.

**COURTS, Terms and Jurisdiction.** Circuit Courts hold two terms annually in each county, and the same in several of the larger cities, and have jurisdiction in all suits at law and in equity over \$20. Justices' jurisdiction, \$50; in the City of Richmond, \$100.

**EXECUTIONS** may issue at once for special cause shown to the court, and after the fifteenth day of the term any court may make an order allowing execution to issue on judgments and decrees after ten days from their date. It must be returned on the first day of a term of court, or first Monday of a month, as the time of issuing the execution may make it most convenient, provided that not more than ninety days intervene between the date and the return day of the process. Executions from Justice's Courts may issue forthwith, but stay may be had on furnishing proper security: over \$10 and under \$20, forty days; \$20 to \$30, sixty days; and over \$30, ninety days. There is no stay in the upper courts, and no redemption of property sold under execution.

**EXEMPTIONS.** Homestead exemption of householder, being the head of a family, to the value of \$2,000, which may be either real or personal property. Also books to the value of \$100, wearing apparel, beds, stoves, and household utensils, sewing machine, cer-

Widow takes dower as at common law.

**MORTGAGES** are superseded by deeds of trust, which may be foreclosed by the trustee without the intervention of a court of equity. Such deeds may be given for both realty and personality, and in either case must be recorded.

**NOTES AND BILLS OF EXCHANGE.** Where a bill of exchange, drawn or indorsed within this State, is protested, the party liable for the principal of such bill shall, in addition, pay damages upon the principal at the rate of three per cent. If the bill be payable out of Virginia and within the United States, and ten per cent. If payable without the United States. On all negotiable notes and bills payable at a future day, grace is allowed according to custom of merchants. No grace on sight drafts.

**SUITS.** Summons must be served on debtor two rule days before it can be placed on the docket. The first Monday in each month is rule day. Debtor must be sued in the county or corporation where he resides; or may be sued wherever the contract is made, provided process (summons) is served on him in county or corporation where contract is made.

**TAXES** are a lien on the real estate on which they are assessed from the 15th of December in the year in which the assessment is made. Real estate sold for taxes may be redeemed within two years by payment of the amount of purchase money, subsequent taxes, and interest at ten per cent. per annum.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law and no statute regulating assignments in trust for benefit of creditors. Such assignments are sometimes made, but do not operate as a discharge. A defendant debtor under arrest may be discharged from such arrest by making conveyance of his property not exempt by law.

**ATTACHMENT** process will issue on creditor's affidavit that debtor, or one of them, is non-resident; has left or is about to leave the State; conceals himself so that summons cannot be served upon him; is removing or about to remove his property out of the State; is converting his property into money, etc., with intent to defraud his creditors; has assigned or disposed of his property with intent to defraud his creditors; has property or rights in action which he conceals, or fraudulently contracted the debt for which the action is brought. There is no imprisonment for debt in this State, but defendant in civil action may be arrested when about to leave the State or to remove or assign property, etc., with intent to defraud his creditors.

County Courts, where the amount in controversy exceeds \$20. Circuit Courts are held in each county, and have jurisdiction where the amount of the debt exceeds \$20 exclusive of interest. County Courts have full probate powers.

**EXECUTION** is issued immediately after term of court at which judgment was rendered, and is returnable in ninety days. There is no stay of execution in the higher courts, but in Justices' Courts stay is allowed as follows: Under \$10, one month; \$10 to \$20, two months; \$20 to \$50, three months; over \$50, four months. **MORTGAGES** are executed and acknowledged as deeds but contain a clause of defeasance. They can only be enforced by foreclosure in a court of equity, and their place is taken generally by deeds of trust which do not require the intervention of a court. Conveyances are also little known.

**NOTES AND BILLS OF EXCHANGE.** Every promissory note or check for money payable in this State to a particular bank, or at a particular office thereof, for discount and deposit, or the place of business of a savings' institution or savings' bank, and every inland bill of exchange payable in this State, shall be deemed negotiable. Where a bill of exchange drawn or honored within this State is protested for non-acceptance or non-payment, there shall be paid by the party liable for the principal of such a bill, in addition to what else he is liable for, damages upon the principal at the rate of three per cent. authorized by law there to take such acknowledgments, or any Minister, or Agent of Affairs, Commissioner, or Consul of the United States appointed to reside therein.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may make an assignment for the benefit of his creditors. He must present a petition in a Judge of the Supreme or Circuit Court, with sworn affidavit and affidavit. A creditors' meeting is held after due notice by publication, and on issue called a jury trial may be had, and defendant examined under oath as to his property. If jury find for plaintiff, the Court will grant him discharge, but this is voidable where fraud has been practiced.

**ATTACHMENT** may be had in matters of record where debt exceeds \$50, when defendant is a foreign corporation or non-resident, or has absconded or concealed himself, assigned, disposed of, or concealed his property, or attempted in any way, or to remove it with intent to defraud creditors, or when the debt was fraudulently contracted. No interest can be computed on interest, whether due by agreement at a fixed time or otherwise, unless so distinctly agreed in writ-

ing. Any corrupt, usurious agreement whereby more than ten per cent. is reserved, agreed to be paid, or taken, forfeits all the interest paid or agreed to be.

**LIMITATIONS OF SUITS.** On contracts not under seal, six years; judgments of courts within the State and sealed instruments, cause accruing within the State, twenty years; foreign judgments and specialties, cause accruing without the State, ten years; recovery of bonds, twenty years. **MARRIED WOMEN.** The property of a wife, acquired at any time, from any source other than her husband, is held to her sole and separate use and disposal. She may convey real and personal estate precisely as if unmarried, and although her husband does not join in her deed of her separate property, his right of tenancy by the curtesy will nevertheless be barred. **NOTES AND BILLS OF EXCHANGE.** Days of grace are allowed, except on bills, notes, and drafts payable on demand. Bills drawn and indorsed within the State, and payable out of the United States, when duly protested for non-payment, draw amount due, interest, current rate of exchange, and five per cent. damages. On bills of exchange drawn upon any person or corporation out of this State, within some State or Territory, and duly protested for non-acceptance or non-payment, the drawer or indorser shall pay said bill with legal interest, five per cent. damages, and costs of protest.

**SUITS.** Actions concerning real estate are brought in the county where the land lies; personal actions and actions against foreign corporations, in any county.

**TAXES** are due and payable after the third Monday in December, and if not paid by the last Monday in January following, may be collected by distress. Lands on which taxes then remain unpaid are returned as delinquent, and are sold on the second Tuesday in May for the tax, five per cent. penalty, interest, and costs. Lands thus sold may be redeemed within three years or any time before the tax-deed is recorded, by payment of the amount sold for, with twenty-five per cent. interest and costs.

acknowledged, and recorded, and are enforceable by bill in equity. Chattel mortgages are subject to the same rules, and must be recorded yearly.

**NOTES AND BILLS OF EXCHANGE** are subject to the law merchant, and given to allowed on all negotiable paper, including check drafts.

**SUITS.** There is but one form of action, and the Code of Procedure is practically similar to that of Ohio.

## CANADA.

**INTEREST.** The legal rate is six per cent., but parties may agree upon any rate, but if no contract is made, six per cent. only can be collected. Banks, by law, can not charge more than seven per cent.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace

are allowed on commercial paper. Promissory notes and bills of exchange are negotiable, and are enforceable in the right of set-off between the parties, but not so in third parties. If acquired by them before they become due. Protect their liability of indorsement.

# HOW TO COMPUTE INTEREST.

## EXAMPLE 1.

As 60 days' interest at 6 per cent. per annum is 1 per cent., the interest for 30 days is 1 per cent. on half the principal; therefore the rule: Multiply half the principal by the number of months and one-third the number of days (to make the days decimal parts of the month), and the result after marking off fractions, will be interest at 6 per cent.

Example:

Required interest on \$2,865.80 for 7 months 24 days.

Half the principal.....	\$ 1,432.90
Multiply by.....	7.8
	<hr/>
	1146320
	1003030
	<hr/>
Answer—\$111.76.	\$111.76620

If 7 per cent. is required, add 1-6; if 8, add  $\frac{1}{3}$ ; if 9, add  $\frac{1}{2}$ ; if 10, move the decimal one point to the right and divide by 6.

## EXAMPLE 2.

The following is the shortest and most accurate method of computing interest known. Multiply the principal by the number of days, and divide—

If at 5 per cent., by 7200.	If at 11 per cent., by 8273.
If at 6 per cent., by 6000.	If at 12 per cent., by 3000.
If at 7 per cent., by 5143.	If at 13 per cent., by 2760.
If at 8 per cent., by 4500.	If at 14 per cent., by 2571.
If at 9 per cent., by 4000.	If at 15 per cent., by 2400.
If at 10 per cent., by 3600.	

## EXAMPLE 3.

Taking as a basis 360 days to a year, and 6 per cent. per annum, we perceive if twelve months bring 6 per cent., two months will produce 1 per cent. As 1 per cent. is a hundredth part of any amount, and is easily obtained by dividing any amount by 100, or simply pointing off two right-hand figures, as for example,—6 per cent. for sixty days of \$100 is \$1. Take, for example:

Principal, \$1,279.50; required the interest at 6 per cent. per annum for ninety-three days. Solution:

6 per cent. for 60 days.....	\$12.79.50
6 per cent. for 30 days, half of 60 .....	6.39.75
6 per cent. for 3 days, one-tenth of 30.....	63.98
Total.....	<hr/>
	\$19.83.23
Throwing away the fractions of cents we have \$19.83. If a basis of 365 days is taken instead of 360, as 5 in 365 is 73 times, divide the amount \$19.83 by 73, and we have 27 cents, which deduct from.....	\$ 19.83
	.27
Grand result.....	<hr/>
	\$ 19.56

If 8 per cent. is required, add  $\frac{1}{3}$ , if 7, 1-6, if 10,  $\frac{1}{2}$ , etc., always keeping the starting point 6 per cent. for sixty days, by pointing off two right-hand figures of the dollars.

## EXAMPLE 4.

A short, simple and accurate method of computing interest is found in the following rule, namely: Multiply principal by number of days, and divide by 360. The quotient will be the interest at 1 per cent., and for any other multiply by the per cent. desired.

## EXAMPLE 5.

Divide 36,500 by the rate of interest, multiply the number of days by the principal, and divide the product by the quotient arrived at by the first operation. If there is a fraction after the latter division it is because there are cents in the answer.

## THE UNITED STATES CIRCUIT COURT

Is held at Chicago, on the first Monday in March, May, July, October, and on the third Monday in December. Claims of non-residents exceeding \$500 can be sued in that Court, when the debtor is a resident of the district, and with much speedier results than in the State Courts.

SAMPLE OF "MENDEL'S PROTECTIVE TINT PAPER"

PATENTED 1878.

EDWARD MENDEL,

CHICAGO.

*See following Pages for Samples and Description of Mendel's Protective Tint Paper, which  
writing cannot be removed without discolored or defacing the Paper.*

DO NOT CUT THE SAMPLE. Order the color by name and the pattern  
you wish by number, as printed on these samples.

CARMINE TINT, PATTERN No. 1

Specimens of Mendel's Patent Protective Tint Paper, for drafts, checks, notes, and all forms subject to fraudulent alteration.

This is the *only* Safety Paper which has sustained the claims made for it in *every instance, never having been successfully altered*, though used to a greater extent in the Northwest than any other paper for its designated purpose, its advantage over everything of the kind that has heretofore been offered to the public can be shown at a glance. No other paper affords the same security against fraud; no other paper has a variety of tints, and tint patterns of the most elegant description, to choose from. The customer is not obliged to use a dirty green or a dingy purple, but can freely exercise his taste in the selection of tint and tint pattern with the full assurance that his choice cannot involve any lack of security.

The great demand for this paper has induced some unscrupulous persons to imitate it, and

parties should be careful to know that they are furnished with the genuine thing, bearing trade mark as shown in these samples. All of the principal dealers, printers, and lithographers throughout the country will be prepared to furnish Mendel's Patent Protective Tint Paper to their customers, as the daily increasing demand must make it a staple article of trade.

If this paper had no other merit than its beauty of design and color, it would be largely used, but when that is combined with *absolute safety* and economy, it must supersede everything of the kind in the market. The paper needs only to be seen and tested, to insure its use by every banker in the land. For the safety of the public, and to protect my own interest, I shall prosecute all infringements upon my rights in these premises to the utmost legal limit. Bankers and others will be sure that they are furnished with the genuine article.

The following Banks and Banking Houses are using the Patent Protective Tint Paper, and express themselves in terms of highest commendation.

We make a specialty of collecting, securing or otherwise adjusting mercantile claims, and are prepared to go at short notice to any part of Minnesota, Western Wisconsin, and Northern Iowa.

All matters entrusted to our care will receive our personal and prompt attention.

The repeal of the Bankrupt Law necessitates prompt action in the collection of claims. This is especially true as to foreign creditors.

The United States Courts for Minnesota being held at St. Paul, gives us great advantage over local attorneys where litigation is necessary.
